Reworking China's Proletariat:

Reworking China's Proletariat Sally Sargeson, 2016-01-18 China's workers have been transformed by the transition to capitalism Sally Sargeson presents a new theoretical analysis of the impact of capitalism and state power on social identities employment conditions and workplace organization Her study draws upon an unprecedented level of empirical research from case studies of the labour market and employment conditions in Hangzhou the capital of Zhejiang province The book will interest students of Chinese political economy socialist transition working class formation and the representation of collective identity

Reworking China's Proletariat Sally Sargeson, 1999 *The Challenge of Labour in China* Chris King-chi Chan, 2012 China's economic success has been founded partly on relatively cheap labour In recent years however there has been growing concern about wages and labour standards in China This book examines how wages are bargained fought over and determined in China exploring how the pattern of labour conflict has changed over time

Paradoxes of Labour Reform Luigi Tomba, 2014-01-21 Labour reform is only one component of the larger process of reforming economy and society experienced by China over the last three decades This book uses historical analytical tools in order to shed light on how policymaking takes place in contemporary China an experimental and self fulfilling process where decisions are taken only long after being introduced into daily practice It will be valuable to students of contemporary Chinese society and key to the understanding of 25 years of Chinese labour reform

Politics in China F. Mengin, J. Rocca, 2016-09-27 Faced with the usual list of paradoxes that plague our views of China it is a communist regime with a capitalist economy an authoritarian state with an entrepreneurial spirit a unified nation with tendencies toward fragmentation the contributions to this volume work to go beyond them and to seek new paths to understanding China To do so the essays avoid the conventional approaches toward Chinese politics that focus on either evolutionist culturally bound or functionalist role bound issues Rather than separate state from society these essays explore how the interweaving of these different spheres creates a hazy border between them The contributors explore the moving frontiers between other spheres as well such as rural and urban populations internal evolution and external influence and money and politics This book does not aim to offer a new framework of analysis for understanding Chinese politics but to open up new directions for research and study on the topic The internationally diverse scholars in this volume offer readers an intriguing look at the present and future of China research

The Unmaking of the Chinese Proletariat William James Hurst, 2005 *The Structure and Evolution of China's Cadre System* Dr. Yi Li, 2005

China and Postsocialist Anthropology Andrew B. Kipnis, 2008 A sophisticated and insightful analysis of post socialist regimes seen through the prism of the Chinese case Author Andrew Kipnis is solidly versed in social theory and conceptual anthropology building on his in depth on the ground knowledge of today's China Kipnis is Senior Fellow in the Contemporary China Centre of the Research School of Pacific and Asian Studies at Australian National University and co editor of *The China Journal*

Industrial Relations in China Bill Taylor, Kai Chang, Qi Li, 2003 This

enlightening book provides the first systematic introduction to and exploration of the emerging system of industrial relations in China and draws on the authors extensive research and direct involvement in the developments taking place The authors argue that there are both unifying and fragmenting elements to the ongoing development of industrial relations but overall it is one in which the state continues to maintain a major and direct influence Divisions between workers and managers may be escalating with increased open conflicts but this book reveals that the picture is far more complex and contradictory than to assume that the solution is convergence with western style industrial relations systems They conclude that industrial relations institutions and processes still act within a political context and with the guiding hand of the Chinese Communist party Industrial Relations in China draws on up to date material and will ensure the book s appeal to industrial relations and Chinese scholars It will also appeal to a wider audience of Asian labour and development studies scholars

The Structure and Evolution of Chinese Social Stratification Li Yi, Dr. Yi Li, 2005-10-25 This book is a great groundbreaking work in China Studies For generations China scholars have pursued the structure of Chinese social stratification but none has completely succeeded in constructing even a single complete model

International Review of Social History, 2001

Regionalism and Subregionalism in East Asia Glenn Drover, Graham Johnson, Julia Lai Po-Wah Tao, 2001 In this book the authors highlight the influence of China in the region of East Asia and the significance of sub regions within it particularly the sub region formed or imagined by Taiwan Hong Kong and their links with south China In Part One they analyse development by reference to the neo governance of globalisation and regionalisation as well as the interplay of cultural and ethical values within East Asia In Part II they turn to the dynamics of sub regional development and the role of China The picture which emerges is complex and graphic nuanced and intricate East Asia is a focal point for the contestation of forces framed by globalisation regionalisation subregionalisation state and cultural values a changing morphology in which openness is associated with export led growth and economic integration It is a region in which change is at once welcomed and distrusted a region where states are not merely powerful but authoritarian one in which business is assumed to lead politics and where old rivalries are typically transcended by desires to create new economic opportunities

Global Political Economy: Theories of the global political economy Bill Dunn, 2009 A masterly explanation of events and upheavals in the world economy over the last 100 years

Organizing Through Division and Exclusion Fei-Ling Wang, 2005 This is an original and comprehensive examination of China s hukou household registration system a system that fundamentally determines the Chinese way of life and shapes China s sociopolitical structure and socioeconomic development

The Paradox of China's Post-Mao Reforms Merle Goldman, Roderick MacFarquhar, 1999 China s move to an open market economy ended the political chaos and economic stagnation of the Cultural Revolution and sparked an unprecedented economic boom Yet this success came at the cost of a weakening central government increasing inequalities and fragmenting society The essays here explore this contradiction

The Non-economic Impact of China's Economic Reforms, 1996

Industrial and Labor Relations Review ,2014 **Fashioning the Body Politic** Wendy Parkins,2002-05 Fashion is often thought of as a matter of personal taste completely unconnected with the public domain of political life and citizenship This book reveals that fashion has played a significant role in political participation and protest **Current contents Arts and Humanities** ,2002 **Asian Anthropology** ,2005

Reworking Chinas Proletariat Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reworking Chinas Proletariat has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reworking Chinas Proletariat has opened up a world of possibilities. Downloading Reworking Chinas Proletariat provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reworking Chinas Proletariat has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reworking Chinas Proletariat. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reworking Chinas Proletariat. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reworking Chinas Proletariat, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reworking Chinas Proletariat has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on

a journey of continuous learning and intellectual growth.
