Exploring how you can integrate magic into your daily life, Vivianne Crowley shows that contemporary self-help methods are rooted in magical practices. She explains how magic can help us discover and unfold our potential selves and how we can use magic as a force for good to heal and remove fears. Vivianne dispels modern myths of magic as wizards, dragons, or evil sorcerers and explores ways that magic can be applied in the twenty-first century to help us become more self-aware and empowered in our everyday lives. *Everyday Magic* is part of *The Paranormal*, a series that resurrects rare titles, classic publications, and out-of-print texts, as well as publishes new supernatural and otherworldly ebooks for the digital age. The series includes a range of paranormal subjects from angels, fairies, and UFOs to near-death experiences, vampires, ghosts, and witchcraft. Praise for Vivianne Crowley's *Wicca: A Comprehensive Guide to the Old Religion in the Modern World*. This book is an excellent introduction to the modern practices and beliefs of the revived Craft and can be thoroughly recommended. Prediction: At last, a really thorough and authoritative exposition of present-day coven witchcraft. *Quest*
