Ebony, 1989-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Magic Johnson** David Aretha, 2015-05-27 Born Earvin Johnson Magic Johnson earned his nickname with his dynamic basketball skills and charismatic leadership **Magic's Touch** Earvin Johnson, Roy S. Johnson, 1992-01 Here is Magic's game the way Magic plays it available for the first time in trade paperback The NBA superstar shows us all the right moves passing shooting defense dribbling and rebounding from a champion's point of view An all out effort to give fans and students of the game an inside look at how basketball should be played Black and white photos and illustrations **Fox-Fire Daze** Alyssa Little, 2024-10-30 Shin ah a loyal shadow beast is one day transformed into a human being By a turn of fate she is discovered by her once master Ryu As she discovers more about her own form and the emotions developing toward the one she never would have looked at before evil lurks The people of their clan are being stolen and Ryu has run out to stop them Is there a greater danger than the risk of her heart and body or is there a more sinister plan at work One that could throw all that she has known and grown to love into peril **New York Magazine**, 1991-12-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Magic: The Life of Earvin "Magic" Johnson* Roland Lazenby, 2023-10-24 The definitive biography of the basketball legend Earvin Magic Johnson from the highly respected career sportswriter and author of Michael Jordan The Life Magic Johnson is one of the most beloved and at times controversial athletes in history His iconic smile lifted the dowdy sport of American professional basketball from a second tier sport with low ratings into the global spotlight a transformation driven by Magic's ability to eviscerate opponents with a playing style that featured his grand sense of fun He was a master entertainer who directed the Los Angeles Showtime Lakers to the heights of both glory and epic excess all of it driven by his mind blowing no look passes and personal charm Then in 1991 at the height of his charismatic power Johnson shocked the world with a startling cautionary tale about sexually transmitted disease that pushed public awareness of the HIV AIDS crisis Then out came his confession of unprotected sex with hundreds of women each year followed by his retirement an attempted return and a proper farewell on the iconic 1992 Olympic Dream Team Longtime biographer Roland Lazenby spent years tracking the unlikely ascension of Johnson an immensely popular public figure who was instantly scandalized but who then turned to his legendary will to rise again as a successful entrepreneur with another level of hard won success In Lazenby's portrayal Johnson's tale becomes bigger than that of one man It is a generational saga spanning parts of three centuries that reveals a great deal not just about his unique basketball

journey but about America itself Through hundreds of interviews with Johnson s coaches representatives past and present teammates opponents friends and loved ones as well as key conversations with Johnson himself over the years Lazenby has produced the first truly definitive study both dark and light of Earvin Magic Johnson Jr the revolutionary player the icon the man Letters on Natural Magic David Brewster,1883 **New York Magazine** ,1991-12-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Railroad Telegrapher* ,1922 Ebony ,1992
