□ **The 12 Commandments – Humanity's Last Call** Adriano Leonel ,2025-06-30 The 12 Commandments Humanity s Last Call Attention Silence everything around you Something eternal is about to happen This book is not a suggestion It is a divine call A cry from God amidst the noise of a generation that has stopped listening You may think you clicked here by chance but know this no step is random when heaven decides to intervene The 12 Commandments Humanity s Last Call is more than a book it is a mirror of your soul a direct confrontation with what you have become and with who you should be There is no room here for half truths for lukewarm gospel for fa ade religiosity Each word was forged with pain prayer tears and truth This book was written with a torn soul with the conviction that there are lives at stake there are eternities being decided right now as you read these lines Within these pages you will find A brutal portrait of today s world immersed in sin indifference and mockery of God A return to forgotten commandments now revealed in a living impactful way in flesh spirit and blood Reflections that will make you cry repent tremble fall to your knees and perhaps for the first time understand how much God loves you and how much you have been running away from Him An urgent call to repentance baptism confession and a change of life This book was not written to please you It was written to save you It doesn t matter if you are a pastor a new convert an atheist or someone who has already forgotten what it means to fear God If you are still breathing there is still time But time is running out Mercy is still available but the clock is ticking Read this book Read it with an open heart with a naked soul as if it were the last message you will receive before eternity Because it might be The Last Call Gloria Losi-Koellhoffer,2013-03-20 Revelations about God and Jesus and what they did for the Jewish people and all of humanity Learn more about the Ruach ha Kodesh Holy Spirit and let the light of the LORD Gods love shine in your heart A vision of God led me to the belief that perhaps I could reach the Jewish people to share with them the knowledge which I believe God has been revealing to me This book is for the Jewish people and for everyone **The Law Times Reports of Cases Decided in the House of Lords, the Privy Council, the Court of Appeal ... [new Series].** ,1869 **God's Final Call** Michael Youssef,2025-03-18 What does the future hold Will faithful Christians face persecution How can I be sure to stand strong during these troubled times The book of Revelation was written for those going through difficult times The first readers of this biblical book were experiencing a wave of persecution in the Roman world To follow the Christian faith was to experience opposition Renowned Bible teacher and prophecy expert Dr Michael Youssef believes twenty first century Christians are experiencing a similar wave of hostility in our culture That is why the words of Jesus in Revelation can be especially compelling to modern readers It is a source of comfort and encouragement for those who are determined to be faithful but also a stern warning of coming judgment for those who seek to compromise God has given a final call to us Will we listen God s Final Call will show how the twenty first century has witnessed an increase in persecution remind us how God is ultimately in control of human history warn us about succumbing to sin and falling away give us a vision of the power

and glory of the risen Christ encourage steadfast faithfulness to the truth of God's Word instill an anticipation of the return of Jesus Open the book of Revelation with Dr Michael Youssef as your guide and see your current and future life all at once

Burning the Last Straw Lucien Nzeyimana,2013-10-11 As Wundannas Rungans and Lords we share a common treasure as the children of Burunga The country long referred to as the Hills of Freedom has become a melting pot of different ethnic groups It is a common treasure a Bungandy as our ancestors used to say From this day forward the three ethnic groups will live as a same people Yet only the Rungans and Wundannas believed in that unity As the Lords lust for power grew they created a conflict that would soak the rich brown soil red For centuries betrayal bloodshed mass killings and genocide would defeat the heroism of the Djandhis until Haydar shakes off the mantle of oppression and galvanizes his people to fight violence with violence Lucien Nzeyimana takes the reader into the wicked web behind ethnic cleansing shining a light as he does so on dark atrocities the likes of which besieged Bungandy
