

## TIP #1

*When in class, sit in the front row or close to the front of the room.*

You will have the "best seat in the house" in terms of being able to see and hear the information.

## TIP #2

*Keep your phone in your bag and on silent.*

Even checking a quick text, SnapChat, or other instant message can be a form of multitasking and "self-interrupts" your learning process.

## TIP #3

*Designate one space outside the classroom for learning.*

This creates the cues that tell your brain, "It's study time!"

## TIP #4

*Have only the materials you need for that study/ work session.*

Taking out every textbook, notebook, and device can be overwhelming and distracting.

## TIP #5

*If noise is helpful, create your study "soundtrack".*

Some learners can get "into the zone" with the right noise. Consider finding music that your brain will come to only associate with learning.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
