Manipulating Public Opinion:

Manipulating Public Opinion Michael Margolis, Gary A. Mauser, 1989 **Public Opinion Manipulation** Nora Franklin, AI, 2025-01-31 Public Opinion Manipulation offers a comprehensive exploration of how beliefs and behaviors are systematically influenced in our modern digital age examining the evolution from traditional propaganda to sophisticated digital manipulation techniques The book uniquely combines historical analysis with cutting edge research to reveal how persuasion methods have transformed through the intersection of psychology technology and social dynamics The narrative progresses through three distinct spheres beginning with the historical foundations of mass persuasion from World War I through to modern political campaigns It then explores contemporary digital manipulation tactics including the role of social media algorithms and micro targeting before concluding with an examination of commercial advertising s evolution toward individualized persuasion Drawing from declassified government documents and corporate case studies the book reveals fascinating insights into how artificial intelligence and big data analytics have revolutionized targeted influence campaigns Taking an analytical rather than judgmental approach the book serves both professionals and concerned citizens by providing practical frameworks for identifying manipulation attempts in daily life The author weaves together findings from behavioral economics neuroscience and social psychology to explain the effectiveness of various persuasion techniques while maintaining accessibility for a general audience This balanced perspective on information warfare and opinion shaping makes the book particularly valuable for anyone seeking to understand and navigate today s complex information landscape

Information Manipulation and Its Impact Across All Industries Ebrahimi, Maryam, 2021-11-19 Both misinformation and disinformation lead to lasting misperceptions that can pose dangers to the public While information manipulation has always existed modern technology allows for misinformation to spread further and quicker than ever before Especially during times in which misinformation has a greater potential reach and a more captivated audience it is important to recognize its impact on society Information Manipulation and Its Impact Across All Industries focuses on information manipulation in different areas including finance and economy health society and more It considers the effects of misinformation and disinformation on organizations human resources citizens and governments Additionally it describes detection models and approaches of misinformation and disinformation as well as anti misinformation actions policies and laws Covering topics such as cybersecurity online health misinformation and social capital this book is a dynamic resource for managers engineers researchers lecturers advanced students professors academicians and professional institutions *Routledge Handbook of Media, Conflict and Security* Piers Robinson, Philip Seib, Romy Frohlich, 2016-11-10 This Handbook links the growing body of media and conflict research with the field of security studies The academic sub field of media and conflict has developed and expanded greatly over the past two decades Operating across a diverse range of academic disciplines academics are studying the impact the media has on governments pursuing war responses to humanitarian crises and violent political struggles and

the role of the media as a facilitator of and a threat to both peace building and conflict prevention This handbook seeks to consolidate existing knowledge by linking the body of conflict and media studies with work in security studies The handbook is arranged into five parts Theory and Principles Media the State and War Media and Human Security Media and Policymaking within the Security State New Issues in Security and Conflict and Future Directions For scholars of security studies this handbook will provide a key point of reference for state of the art scholarship concerning the media security nexus for scholars of communication and media studies the handbook will provide a comprehensive mapping of the media conflict field

Mass Communication and American Social Thought John Durham Peters, Peter Simonson, 2004-08-03 This anthology of hard to find primary documents provides a solid overview of the foundations of American media studies Focusing on mass communication and society and how this research fits into larger patterns of social thought this valuable collection features key texts covering the media studies traditions of the Chicago school the effects tradition the critical theory of the Frankfurt school and mass society theory Where possible articles are reproduced in their entirety to preserve the historical flavor and texture of the original works Topics include popular theater yellow journalism cinema books public relations political and military propaganda advertising opinion polling photography the avant garde popular magazines comics the urban press radio drama soap opera popular music and television drama and news This text is ideal for upper level courses in mass communication and media theory media and society mass communication effects and mass media history

The Economic Policy of Online Media Peter Ayolov, 2023-05-05 This book explores the distortion of communication online centered around the theory that the economic policy model of online media is primarily based on the systematic manufacture of dissent Following the media criticism tradition of Habermas and Chomsky among others the book shows how anger can motivate news consumption as the principle of divide and rule in the online media of the 21st century is systematically applied The author posits that media addiction increases interest therefore deliberate distortion of facts and the manufacture of dissent provide the media with a larger audience and this becomes the business model This insightful volume will interest researchers scholars and students of media economics political economy of media digital media propaganda mass communication and media literacy
