The Parent's Problem Solver Cathryn Tobin, M.D., 2007-12-18 IMAGINE HAVING A PEDIATRICIAN ON CALL TO ANSWER ALL YOUR QUESTIONS ABOUT PARENTING From tantrums to sleeping problems bullying to bed wetting The Parent's Problem Solver offers parents quick commonsense and compassionate solutions that work from an author who is not only a pediatrician but also a mother of four Whether your child is an infant or already in school Dr Cathryn Tobin's insightful advice will help you create positive changes in your parenting strategies and your relationship with your children immediately Discipline in a nutshell is giving children tools to succeed in life This book shows parents how William Sears M D coauthor of *The Baby Book* and *The Discipline Book* Dr Spock helped us understand our children but Dr Tobin helps us understand ourselves By the time you finish reading the first chapter you'll find a new approach to parenting problems that you can rely on John and Linda Friel *The 7 Worst Things Good Parents Do* This is a wonderful book Dr Tobin gives us a brand new twist on solving problems with our kids If Dr Tobin can't be your pediatrician read her book Jack Canfield coauthor of *Chicken Soup for the Mother's Soul*

Thinking Parent, Thinking Child Myrna B. Shure, 2016-07-26 In this new edition internationally acclaimed author Dr Myrna B Shure shows how to apply I Can Problem Solve techniques to the top concerns of parents and children from preschoolers through preteens With updated research three completely new chapters and numerous new problem solving scenarios the book offers a sensible way for parents to help their children learn how to think not what to think

Thinking Parent, Thinking Child Myrna Shure, 2004-09-21 You've tried everything you can think of but nothing you do seems to have any effect on your child's chronic procrastinating The school called again to complain that your daughter is still bullying the other kids in her class and you don't know how to make her stop without becoming a bully yourself Your son explodes in anger if he loses at anything sports or even fun family games And your kids constantly argue with each other and with you If you're looking for a different way to handle problems like these this book is for you Written by internationally acclaimed parenting author Dr Myrna Shure *Thinking Parent Thinking Child* arms you with powerful techniques for dealing with these and dozens of other issues confronting today's parents In her national bestseller *Raising a Thinking Child* Dr Shure

introduced parents to her original I Can Problem Solve approach to teaching children the critical thinking skills they need to solve problems on their own Now in Thinking Parent Thinking Child she shows how to apply I Can Problem Solve techniques to the top concerns of parents and children from preschoolers through those in their preteen years Not only will children learn to think about their own and others feelings they ll also learn to appreciate that you have feelings too You ll see how weighing your options before responding to your children will inspire them to weigh their options As you reflect on your own behavior toward your children you may wonder Is time out really useful or Will spanking help or hurt And just as you want your child to listen to you you ll find yourself asking Am I really listening to him The important lessons presented in this book go far beyond how to manage or control specific problems Instead you ll be able to help your child find her own best solutions to problems ranging from getting her homework done to test anxiety to teasing to being teased to peer pressure Thinking Parent Thinking Child gives you tools to help your kids become less aggressive inhibited and fearful and more cooperative empathic and better able to handle life s frustrations and disappointments

Problem-Solving Parent Conferences in Schools Dennis J. Simon,2019-07-31 Problem Solving Parent Conferences in Schools presents a Problem solving Parent Conference PPC model that integrates and applies empirically supported systemic and behavioral intervention strategies to coordinated home school interventions for student behavioral and social emotional concerns Though today s schools seek to further understand student behaviors from ecological and systemic perspectives there are limited resources available on how to effectively collaborate with families a key social environmental context This unique book engages parents and teachers in a five stage protocol towards more effective student support These evidence based change oriented approaches will be essential for graduate students in school psychology school social work and school counseling programs in teacher preparation and in any related course focused on parents and families in school settings Its resources are also critical for mental health practitioners who work with children adolescents families and schools

Problem Solving in Child and Adolescent Psychotherapy Katharina Manassis,2012-03-02 This unique volume presents clear steps for helping children and adolescents manage a range of social emotional or behavioral challenges by using a problem solving approach Highly practical and accessible the book provides a versatile framework for collaborative brief intervention It describes when and with whom to use problem solving and how to tailor it to different children s needs Extensive clinical examples illustrate what the approach looks like in action with preschoolers through increasingly independent teens With its focus on specific dilemmas problem solving does not attempt to change broader patterns of thinking feeling or behaving Yet it teaches valuable skills that can be generalized to help children deal with other problems and can increase their confidence independence and resilience The book shows how therapists of any orientation can use problem solving as a stand alone intervention or in combination with other therapeutic techniques Chapters demonstrate the nuts and bolts of five key steps

Defining the problem
Generating alternative solutions
Evaluating alternatives and making a choice
Trying a new solution

Following up and evaluating outcomes The sample therapist client interactions are engaging and realistic and feature children with a variety of diagnoses Ways to involve parents in treatment are addressed as are strategies for implementing the approach with groups Tips for overcoming frequently encountered obstacles are highlighted throughout and are discussed in depth in the concluding chapter Written in a concise straight talking style this book is an indispensable go to guide for all mental health professionals working with children and adolescents including clinical psychologists school psychologists counselors social workers and psychiatrists

The Parent's Problem Solver Karen Renshaw Joslin,1994 What do you do if your child refuses to wear a seatbelt How do you handle it if your child is a biter or refuses to share The Parent s Problem Solver features easy to use solutions for over 140 common child behaviour problems all in alphabetical order for easy reference A parent can look up a specific problem and discover what to say and do to prevent it from happening again Recognizing that behaviour acceptable in a two year old may not be acceptable in a five year old the book also offers age appropriate advice where necessary and ideas older brothers and sisters as well as parents can put into practice Throughout Joslin uses her Positive Parenting technique of reinforcing good behaviour rather than criticizing negative conduct thereby building children s self esteem

PISA 2015 Results (Volume V) Collaborative Problem Solving OECD,2017-11-21 The OECD Programme for International Student Assessment PISA examines not just what students know in science reading and mathematics but what they can do with what they know Results from PISA show educators and policy makers the quality and equity of learning outcomes achieved elsewhere
