Masculinity Studies Reader:

The Masculinity Studies Reader Rachel Adams, David Savran, 2002-02-15 The Masculinity Studies Reader brings together widely read and cited work by key theorists in a new context that is intended simultaneously to establish the contours of and to raise questions about masculinity as a field of academic inquiry **Masculinity studies reader. Adams** REC 5/29/2018, *Queer Masculinities* John Landreau, Nelson Rodriguez, 2011-09-28 *Queer Masculinities A Critical Reader in Education* is a substantial addition to the discussion of queer masculinities of the interplay between queer masculinities and education and to the political gender discourse as a whole Enriching the discourse of masculinity politics the cross section of scholarly interrogations of the complexities and contradictions of queer masculinities in education demonstrates that any serious study of masculinity hegemonic or otherwise must consider the theoretical and political contributions that the concept of queer masculinity makes to a more comprehensive and nuanced understanding of masculinity itself The essays adopt a range of approaches from empirical studies to reflective theorizing and address themselves to three separate educational realms the K 12 level the collegiate level and the level in popular culture which could be called cultural pedagogy The wealth of detailed analysis includes for example the notion that normative expectations and projections on the part of teachers and administrators unnecessarily reinforce the values and behaviors of heteronormative masculinity creating an institutionalized loop that disciplines masculinity At the same time and for this very reason schools represent an opportunity to provide a setting where a broader menu can be introduced and gender sexual meanings expressions and experiences boys encounter can create new possibilities of what it can mean to be male At the collegiate level chapters include analysis of what the authors call homosexualization of heterosexual men on the university dance floor while the chapters of the third section on popular culture include a fascinating analysis of the construction of queer counternarratives that can be constructed watching TV shows of apparently hegemonic bent In all this volume's breadth and detail make it a landmark publication in the study of queer masculinities and thus in critical masculinity studies as a whole Kindred by Choice H. Glenn Penny, 2013-08-12 How do we explain the persistent preoccupation with American Indians in Germany and the staggering numbers of Germans one encounters as visitors to Indian country As H Glenn Penny demonstrates that preoccupation is rooted in an affinity for American Indians that has permeated German cultures for two centuries This affinity stems directly from German polycentrism notions of tribalism a devotion to resistance a longing for freedom and a melancholy sense of shared fate Locating the origins of the fascination for Indian life in the transatlantic world of German cultures in the nineteenth century Penny explores German settler colonialism in the American Midwest the rise and fall of German America and the transnational worlds of American Indian performers As he traces this phenomenon through the twentieth century Penny engages debates about race masculinity comparative genocides and American Indians reactions to Germans interests in them He also assesses what persists of the affinity across the political ruptures of modern German

history and challenges readers to rethink how cultural history is made

Children and Methods Kristine Henriksen Garroway, John W. Martens, 2020-01-29 In *Children and Methods: Listening To and Learning From Children in the Biblical World* Kristine Henriksen Garroway and John W Martens bring together an interdisciplinary collection of essays addressing children in the Hebrew Bible New Testament and broader ancient world While the study of children has been on the rise in a number of fields the methodologies by which we listen to and learn from children in ancient Judaism and Christianity have not been critically examined This collection of essays proposes that while the various lenses of established methods of higher criticism offer insight into the lives of children by filtering these methods through the new field of Childist Criticism children can be heard and seen in a new light

I'm Buffy and You're History Patricia Pender, 2016-06-28 *Buffy the Vampire Slayer* gave contemporary TV viewers an exhilarating alternative to the tired cultural trope of a hapless attractive blonde woman victimized by a murderous male villain With its strong capable heroine witty dialogue and a creator Joss Whedon who identifies himself as a feminist the cult show became one of the most widely analysed texts in contemporary popular culture The last episode broadcast in 2002 did not herald the passing of a fleeting phenomenon *Buffy* is a media presence still active

on DVD and the internet alive in the career of Joss Whedon and studied internationally I m Buffy and You re History puts the entire series under the microscope investigating its gender and feminist politics In this book Patricia Pender argues that Buffy includes diverse elements of feminism and reconfigures and sometimes revises the ideals of American second wave feminism for a wide third wave audience She also explores the ways in which the final season s vision of collective feminist activism negotiates racial and class boundaries Exploring the Slayer s postmodern politics her position as a third wave feminist icon her placing of masculinity in extremis and her fandom and legacy in popular culture this is a fresh and challenging contribution to the growing literature on the pitfalls and pleasures of a great cult TV show

Masculinities in Text and Teaching B. Knights,2008-01-15 This volume seeks to redress the balance of masculinity by examining the grammars of gender as these are acted out in the dialogues of Higher Education Gender roles whether of dominance or of marginality are seen here as being negotiated simultaneously within texts and in the social performances of the classroom Working through a number of short case studies this book will be at once a contribution to the scholarship of teaching and to the debate on gender in culture

Maskulinitas Marshall Alexander Clark,2010 Maskulinitas is a ground breaking treatment of the representation of men and masculinity in Indonesian culture from Suharto s New Order era to the present The book includes critical analyses of Indonesian cultural expressions in literature cinema society and politics Drawing on the ideas of Bakhtin Bourdieu Maier and others author Marshall Clark explores with acute insight and a critical eye constructions of the masculine in contemporary Indonesian society Maskulinitas also challenges the way scholars of Indonesia have held firm to the categories and frameworks of gender studies a field still often equated with women s studies while offering fascinating insights into representations and images of men as engendered and engendering subjects As a timely addition to the generally conservative field of scholarship on gender in Southeast Asia Maskulinitas demonstrates that gender studies need to encompass the man question especially considering Indonesia s strongly patriarchal society where the norms of feminine subordination and submission are legitimized by the ideologies of the state and the strictures of religion Ultimately this book challenges the reader with the notion that if the subordinate status of Indonesian women is to be highlighted and some sort of gender equality achieved then the representations subjectivities and practices of Indonesian men must be addressed

The Postcolonial Body in Queer Space and Time Rebecca Fine Romanow,2006 The Postcolonial Body in Queer Space and Time examines the ways in which the notion of the postcolonial correlates to Judith Halberstam TM s idea of queer space and time the non normative path of Western lifestyles and hegemonies Emphasizing authors from Africa

and Southeast Asia in the diaspora in London from the mid 1960s through 1990 the reading of both postcolonial lands and subjects as queer counterproductive space reveals a depiction of bodies in these texts as located in and performing queer space and time redefining and relocating the understanding of the postcolonial The first wave of postcolonial literature produced by diasporics presents the body as the site where the non normative is performed revealing the beginnings of a corporeal resistance to the re colonization of the diasporic individual residing in England from the Wilson through the Thatcher regimes This study emphasizes the ways in which early postcolonial literature embodies and encounters the topics of race gender and sexuality proving that a rejection of subjectifying processes through the representation of the body has always been present in diasporic postcolonial literature Reading through postcolonial theory as well as the works of Foucault Deleuze and Guattari Hardt and Negri Homi Bhabha and Giorgio Agamben as well as Halberstam and queer theory The Postcolonial Body in Queer Space and Time discusses the poetry and journals of Arthur Nortje Hanif Kureishi TM s The Buddha of Suburbia and his film Sammy and Rosie Get Laid and Tayeb Salih TM s Season of Migration to the North tracing a geographic arc from homeland to London to the return to the homeland traveling through the queer space and time of the postcolonial
