Bringing together two disparate theories under a transdisciplinary framework, G. C. Tympas presents a comparison of Carl Jung's theory of psychic development and Maximus the Confessor's model of spiritual progress. An evolutionary relationship between the psychological and the spiritual is proposed for a dynamic interpretation of spiritual experience. Carl Jung and Maximus the Confessor on

Psychic Development offers a creative synthesis of elements and directions from both theories and further explores Jung's views on religion in a dialogue with Maximus' concepts. The different directions and goals of Jung's and Maximus' models. Jung's Answer to Job in relation to Maximus' theory of final restoration. Tympanos argues that a synthesis of Jung's and Maximus' models comprises a broader trans-disciplinary paradigm of development which can serve as a pluralistic framework for considering the composite psycho-spiritual development. Constructively combining strands of differing disciplines, this book will appeal to those looking to explore the dialogue between analytical psychology, early Christian theology, and Greek philosophy.

I'll Take Hypnosis with a Side of Mediumship: Garry Gewant, 2017-12-22. Have you ever wondered how professional mediums come to have faith in their psychic and mediumistic abilities? Join Garry Gewant, NJ medium, hypnotist, and educator on his spiritual evolution. From his childhood encounter with a ghostly apparition at age five through denial and eventual validation of his psychic abilities, Garry's humor and easygoing storytelling will keep you spellbound as he describes his metaphysical exploration. Share his life-changing synchronicities and experiences at various metaphysical retreats with authors and mentors Dr. Brian Weiss, James Van Praagh, and John Holland, among others. Garry's unique voice brings you into the room as he uses hypnosis to help clients overcome smoking, fears, and detrimental behavior. Be there in his dentist's chair as Garry undergoes a root canal using self-hypnosis instead of Novocain. Eventually, Garry recognizes that his clients' loved ones in spirit are enhancing his hypnosis sessions with profound results. When he recognizes and accepts the synchronicities in his life, he gains the resolve to pursue his abilities as a psychic medium and past-life regressionist. And in so doing, Garry forms a stronger connection with the spirit realm that leads him and YOU, the reader, on a unique spiritual journey.
