

Russia Soul

Dale Pesmen

Russia Soul:

The Quest for Russia's Soul Perry Lynn Glanzer, 2002 The author's comprehensive research and first person experience result in an informative instructive and compelling book

Russia and Soul Dale Pesmen, 2018-08-06 This ethnography of everyday life in contemporary Russia is also an examination of discourses and practices of soul or dusha Russian soul has historically appeared as a myth a consoling fiction and a trope of national and individual self definition that drew romantic foreigners to Russia Dale Pesmen shows that in the 1990s this soul was scorned worshipped and used to create manipulate and exploit cultural capital Pesmen focuses on soul in part as what people chose to do and how they did it especially practices considered definitive of Russians such as hospitality the use of alcoholic beverages steam baths Russian language music and suffering Attempting to avoid narrow definitions of soul as a thing Pesmen developed a new way of structuring ethnographic interviews During her stay in a formerly closed military industrial city and surrounding villages Pesmen spent time on public transportation and in kitchens steam baths vegetable gardens shops and workplaces She uses stories from her fieldwork along with examples from the media and literature to introduce a phenomenology of russkaia dusha and of related American and other non Russian metaphysical notions exploring diverse elements in their makeup examining and questioning the world created when people believe in the existence of such deep vast enigmatic internal centers Among theoretical issues she addresses are those of power community self exchange coherence and morality Pesmen's attention to dusha gives her a multifaceted perspective on Russian culture and society and informs her rich portrayal of life in a Russian city at a historically critical moment

The Soul of Russia Winifred Stephens Whale, 1916

The Slave Soul of Russia Daniel Rancour-Laferriere, 1995-03-01 Why asks Daniel Rancour Laferriere in this controversial book has Russia been a country of suffering Russian history religion folklore and literature are rife with suffering The plight of Anna Karenina the submissiveness of serfs in the 16th and 17th centuries ancient religious tracts emphasizing humility as the mother of virtues the trauma of the Bolshevik revolution the current economic upheavals wracking the country these are only a few of the symptoms of what The Slave Soul of Russia identifies as a veritable cult of suffering that has been centuries in the making Bringing to light dozens of examples of self defeating activities and behaviors that have become an integral component of the Russian psyche Rancour Laferriere convincingly illustrates how masochism has become a fact of everyday life in Russia Until now much attention has been paid to the psychology of Russia's leaders and their impact on the country's condition Here for the first time is a compelling portrait of the Russian people's psychology
