Saras Promise:

Sara's Promise Deanna Lynn Sletten,2012-12-12 Do you believe in soul mates William Grafton had the perfect life with his lovely wife Sara and two wonderful children But one day his perfect forever was shattered when Sara died suddenly leaving him alone to raise his children and wonder how he would ever get through life without his soul mate Five years later he finds himself looking into a familiar pair of blue green eyes that remind him of Sara The woman is the exact opposite of his late wife yet he finds he is drawn to her But after a few strange occurrences he begins to wonder are these just coincidences or has his Sara come back to him as she once promised in the form of this new woman Annie Paxton doesn t believe in soul mates or fate She had watched her father die of a broken heart after her mother passed away and has since cast away any fairy tale ideas of love Then she meets the man who has been haunting her dreams and she begins to see love in a whole new light But her dream man is still tied to his deceased wife and Annie doesn t know if he will ever be able to break away from his past As strange occurrences unfold Annie wonders if William could ever truly love her for herself and not for the traits that remind him of Sara Were William and Annie brought together by fate coincidence or by Sara keeping her promise

Sara's Promise Patricia Waddell,1999 **What If They Could** Marion Craig Wentworth,1927 **Sara** Mrs. Henry Wayland Chetwynd,1886 **Sara** Marilyn Randall,2016-10-05 This is the story of Sara and her journey into the dark disease of alcoholism A seemingly normal young woman who very nearly drinks herself to death and the path she walks to reach the place where she finally wants to get well The author takes us on a trip into the thinking and experiences that create the perfect storm where situations continue to contribute to the nearly always fatal illness and how her loved ones fight to save her life From Randalls own personal experiences comes her conviction that hope is something we should never lose when dealing with this disease because not everyone has to die from it Against seemingly impossible odds of loss death grief and finally tough love she shows us the miracle of sobriety There is evidence today that alcoholism is created by a combination of several factors such as the predisposition to drink to change the way we feel and the need to try to feel more normal because of excessive nervousness stress or feelings of low self esteem and self worth are the contributing emotional factors while the physiological addiction that comes from drinking large amounts of alcohol every day until that line is crossed happens over a period of time and can be just as lethal when the liver kidneys pancreas or eventually the brain fails And then there is also the genetic factor No matter the combination of factors involved we must acknowledge that we are living in the age of an alcoholic and drug addiction epidemic but as long as there is life there is hope and this is Saras story a story of struggles and life experiences that seemingly might cause her to lose all hope and desire to get well and a learning experience for anyone who wants to know more about dealing with this disease and how to recover **Sara's Journey** Patti Leudeman Chiappa,2010-07 Inside the blackened house Sara s tears were burning her eyes Why God Why did you do this to me Sara Wilson had it all Beautiful and a graceful talented dancer she had many friends and a strong relationship with God She also

had the husband of her dreams What more could a girl ask for But on a perfect autumn night Sara lost everything in a tragic fire changing her life forever With her beauty destroyed and her love in ruins Sara became a recluse completely shutting out not only her loved ones but her Lord and forgetting completely everything that had meant anything to her That is until a mysterious missionary wandered out of the Appalachians and into the small town of Summerville Heights Asking the townsfolk to call him Turner this stranger seemed to emanate peace and love from his very being and seems to be an angel sent specifically to help Sara re discover who she is Can tall turner Thomas help Sara find her way back to god her dreams her friendships and the woman she once was Join author Patricia Sassy Angel Chiappa on Sara s Journey to redemption
