Practical Spiritual Warfare Through Prayer Zacharias Tane Fomum,2015-02-20 In this handbook Professor Fomum demonstrates in very powerful terms the determinant role of prayer in spiritual warfare The burden he is labouring to discharge is to bring every believer to develop an ever increasing life of prayer with the aim of destroying the devil s plans and purposes Throughout his message it emerges that to wage spiritual warfare you must 1 Identify your enemy 2 Build a hedge of protection around you and around everything that belongs to you That should be in addition to the hedge already built by God 3 For more range in combat you ve got to draft in a great number of people of quality 4 You and them have got to be united for the same purpose 5 Do not omit the role of angels in combat 6 Finally know that whoever engages in combat must persevere until the end Don t ever give up till victory This book is a very practical and precious work meant to lead you to realise as a believer that you must pray or perish Read it now and act

The Tabernacle of David

Stendal, Russell M., 2022-08-01

What exactly does the tabernacle of David represent? In the new covenant, there is only one mediator between God and man: this is the Lord Jesus Christ, the living Word of God, and he is presently seated upon a heavenly throne high above all things (Psalm 138:2). The ark of the covenant is a representation of Jesus Christ and of how our reconciliation with God the Father is made possible. The tabernacle of David depicts the heavenly realm touching the earth and is a living prophetic parable of how we may come into a direct and personal relationship with God through Jesus Christ and without intermediary clergy or religious legalistic ritual we may become registered as citizens of heaven (Hebrews 12:18-24). The once and for all blood sacrifice at Calvary was required in order to put the new covenant into effect. However, the fullness of what is represented by the tabernacle of David, with the ark as its sole piece of furniture, will be restored at the second coming. In that day, I will raise up the tabernacle of David that is fallen and close up its breeches, and I will raise up its ruins, and I will build it as in the days of old (Amos 9:11-12). Acts 15:16: When God decided to cut off the corrupt house of Eli, he said, "And I will raise me up a faithful priest that shall do according to that which is in my heart and in my mind, and I will build him a sure house, and he shall walk before my anointed (Heb. Messiah) forever" (1 Samuel 2:35). The faithful priest for whom God would build a sure house could not have been Samuel. The fact that he shall walk before God's anointed Messiah forever means that this does not refer directly to Jesus Christ. The only sure house that can be seen that fits this bill is the house of David (1 Samuel 17), which continued in God's favor until the birth of Jesus Christ. And in Christ, the royal priesthood (1 Peter 2:9) of the order of Melchisedec (Psalm 110:4) continues forever; this even includes us if we are in Christ (Revelation 1:6). And in mercy, shall the throne be established, and he shall sit on it in the tabernacle of David, judging and seeking judgment and hastening righteousness (Isaiah 16:5).

What is the prophetic numerology found in the Psalms? Anyone who knows the author or has read one of his previous books knows that, in addition to emphasizing a personal relationship with God the Father, he is focused on the Day of the Lord with a deep concern that Christians regard End Times prophecy with utmost concern and soberness. It is within this context that he directs the reader's attention to the prophetic numbers within the Psalms that, once decoded according to their trajectory through the Scriptures, unlock the stunning messianic narrative that will soon take place here on the earth. Amidst ever-increasing feelings of social isolation and the realities of political division and unrest, as well as the impending and potentially disastrous outcomes of man-made crises facing the earth, people are looking for answers to their fears and inner longing to feel secure, connected, and satisfied in their daily lives. While many attempt to control things politically, others are looking for answers through esoteric means such as prophecies, numerology, tarot cards, and even witchcraft. Although David obviously didn't face the difficulties unique to our time, he definitely felt socially isolated, dwelled in political unrest, and faced many possibilities for disaster. His answer was to ask God to protect him and direct his every footstep, which ultimately met his every need and eventually led him to dwell in peace and security to a ripe old age.
