Saving Jesus:

Saving Jesus Carter Heyward, 2026-04-06 First published twenty five years ago and continually in print Carter Heyward's *Saving Jesus* remains a pioneering political Christology intended to reframe our understanding of Jesus his person and his import in light of contemporary culture especially the rise of the Christian right The book also employs the insights of liberation theologies Latin American feminist Black theology to offer a critical assessment of traditional Christology a more relevant picture of Jesus and redemption and an inspiring portrayal of its implications for discipleship and Christian life In this theological resource for spiritual transformation and social change Carter Heyward rethinks the figure of Jesus and his import for church academy and society Rather than focus on the variable pictures of Jesus in contemporary biblical scholarship and in radical opposition to the Jesus of the Christian Right Heyward presents Jesus as our brother infused with a sacred power and passion for embodying right mutual relation and ourselves with him in this commitment She goes on to explore concretely how we might live this way The new edition re presents this important work with a new preface placing the work in our deeply conflicted contemporary context and in the context of the church's ongoing reflection on the person and work of Jesus It also drops a few marginal elements from the original to highlight the core of the work **Saving Jesus** Carter Heyward, 2026 In this theological resource for spiritual transformation and social change Carter Heyward rethinks the figure of Jesus and his import for church academy and society The new edition places the work in our deeply conflicted contemporary context and in the context of the church's ongoing reflection on the person and work of Jesus *Killing For Christ: How to Defeat Christian Terrorism* Mohamed Moussa Ghounem, 2022-12-17 Love Starts With Acceptance Speeches By Popes Bible Verses Christian Terrorist Manuals and Testimonies Are All Included Documenting The Top 10 Categories of How Christianity Breeds Terrorism In Addition to Permission and Motivation to Terrorize Some Christians Interpret the Modern Teachings of Christianity to Believe they Have a Duty to Be Terrorists Responses to Christian Terrorists Ideology are Included To Exterminate the Hate and Replace it with Love The Top 10 Ways Christians Kill For Jesus Include Deicide Rapture 100 Virgins Manifest Destiny Satanism Resemblance Fetuses and From Having a Guilt Free Conscience Being Already Saved thus Sins Can Be Unlimited and They Assume They Can Still Be In Heaven Love as a Focus to Defeat the Christian Terrorists Hate includes the Top 10 Ways Muslims Love Jesus More Than Christians Loving the Original Jesus Verses the Contemporary Jesus More is a Core Way to Cure Christian Terrorism Teaching to Truly Love Jesus Include Showing How Jesus was actually Saved from the Cross and Clarifying How It's Much More Loving to Believe in Rescue than Resurrection Consequently Giving Christian Terrorists Accountability Rather Than Lawlessness 20 years of Propaganda and Comparative Religion research is what makes this book more authoritative and informative than any of its kind Our Goal is three fold Breaking the Media Ban on Reporting Christian Terrorism Defeating Christian Terrorism and Opening Dialog Among World Religions from An Equal Platform to Foster Understanding Peace and Love **Saving Jesus** Ralph William

Ausman,2016-02-04 The canvas of history provides a complex pattern of culture change and conflict Colorful individuals were often the driving forces behind the progression of history Was there a grander purpose behind these developments beyond the individual people locations and events History often turns on a simple thought or decision by those in a position to have a significant impact on the ultimate course for humankind What influence did some of the most significant personages in human history unknowingly contribute on the world stage even beyond their own individual stories and experiences Was his story truly the driving force of history the basic thread that ties the global human experience together Author Ralph William Ausmans novel Saving Jesus Resurrecting John the Baptist takes us on a journey through history from the Holy Land to China India Greece and ancient Persia It follows the origins of religious thought as world empires play out across the globe in preparation for the defining moment in world history the birth of Jesus and the subsequent emergence of Christianity that would define world growth and development for the next two thousand years Ausman looks at such questions as what would have happened had the wise men followed Jesus and his family or if John the Baptist had become Jesus's first disciple Saving Jesus Resurrecting John the Baptist is not intended as a refutation of the Bible Instead it invites you to take an interesting and different look at the most important events and people of history **Saving Jesus from the Church** Robin R.

Meyers,2009-02-24 Countless thoughtful people are now so disgusted with the marriage of bad theology and hypocritical behavior by the church that a new Reformation is required in which the purpose of religion itself is reimagined Meyers takes the best of biblical scholarship and recasts these core Christian concepts to exhort the church to pursue an alternative vision of the Christian life Jesus as Teacher not Savior Christianity as Compassion not Condemnation Prosperity as Dangerous not Divine Discipleship as Obedience not Control Religion as Relationship not Righteousness This is not a call to the church to move to the far left or to try something brand new Rather it is the recovery of something very old Saving Jesus from the Church shows us what it means to be a Christian and how to follow Jesus teachings today **Saving Jesus** Frank

Becker,2020-11-25 They followed a wondrous Star a thousand torturous miles to help save the Christ child from the fury of a jealous king For over a century the Jews of Palestine were victims in a tug of war between Imperial Rome and the mighty Parthian Empire As a result they seethed with rebellion and waited impatiently for the Messiah they dreamed would deliver them But while Palestine simmered Wise Men to the East began following a marvelous Star only to find themselves embroiled in a cauldron of political and religious intrigue Whether you consider it legend or legacy the biblical account of the Wise Men is well attested and the child they visited ultimately changed the history of the world Saving Jesus is the untold story of the Wise Men who defied the world's rulers by delivering the means to save the baby Jesus from the wrath of King Herod

Saving Jesus Christ James Yoon,2017-07-26 What you believe about God and His plan for you is no simple matter Your eternal salvation is at stake Perhaps you have already heard the Gospel many times and believe in Jesus Christ as your Savior but are you truly happy The sad reality is that many believers in Jesus continue to struggle with God's plan and purpose for

their lives Why Because the lack of understanding God s will and the eternal conflict between God Satan and humans ultimately leads to a weakened faith corrupting one s perception of God s love for his creation Despite all the trials and tribulations a believer will face you can be assured that God is your Creator Lord and most significant love The Lord your God among you is powerful he will save and he will take joyful delight in you In his love he will renew you with his love he will celebrate with singing because of you Zephaniah 3 17 ISV The world is thirsty for the true word of God which can give answers to the many questions believers encounter in their daily lives This book comes with answers that will inform transform and reform the world and Church of Jesus Christ *Saving Jesus* Becker Frank,2020-10-21 **Saving Jesus** Bhaktivedanta Suddhadvaiti Swami,2021-04 There is the historical Jesus His name was not Jesus but Yeshua He was not a Christian He was a Jewish apocalyptic prophet a social and religious reformer as well as a spiritual guide Little of what we know about him is certain as contemporary sources do not stand up to present day scholarly scrutiny Then there is the official fabricated Jesus the Jesus of ecclesiastical theological faith which has little to do with the historical one Indeed there were originally the teachings of Jesus but they were distorted and replaced by dogmatic teachings about Jesus Therefore we ought to save Jesus from all the forgeries myths interpretations irrational superstitions and meaningless dogmas that have covered him since the early years of Christianity beginning with the self proclaimed apostle Paul who created the Christian religion on the basis of his own concoctions We also ought to save the Christians from the wool pulled over their eyes

Strange and Gaudy Fruit Jeff Nicoll,2023-05-09 The history of Christianity includes many doctrines adopted and actions taken to meet immediate problems but which had unintended consequences they are bad fruit Matt 7 15 20 The oldest is antisemitism which arose from the competition of the early church with early Judaism It was built into the New Testament and was developed by the church fathers Having learned to dehumanize it was easy to apply the same techniques to other groups the church became complicit with enslavement misogyny and other forms of oppression One response to the bad fruit is to reject religion in the manner of Christopher Hitchens However the dogmas are part of our culture even if in secular form If the roots of marginalization are not understood they cannot be eliminated This work uses a range of critics and defenders of traditional Western Christianity to identify poisonous fruits and detoxify them The critical voices do not create a consensus Nevertheless a core can be perceived what Erasmus called the few truths Grounded in the religious tradition they can be shared with secular people as a basis for an ethical merciful and respectful society Although the history of Christianity is bloody there are ways to go forward A Credible Christianity Walter Kania Ph D,Walter Kania,2010 A Syrian poet noted that The world holds two classes of men intelligent men without religion and religious men without intelligence A Nobel Prize winning physicist Dr Steven Weinberg said Religion is an insult to human dignity With or without it you would have good people doing good things and evil people doing evil things But for good people to do evil things that takes religion Could they both be right Or is it possible that we could have a Christianity that is intelligible believable and credible In order for that to

be true we would need to rescue our traditional notions and practice of the Christian faith from its ancient fraudulent time warp We need to help it remove itself from the cultural trance in which it exists and the faulty beliefs which it holds We continue to survive on and promote an ancient discredited history of Jesus and the Church The secular and Biblical Scholarship of the last 200 years has been largely ignored in today s Christian beliefs and practices What we have today in Christianity is a distorted disfigured and fraudulent hero of the Christian faith We have numbed and parked our mental faculties regarding the historic knowledge of our religion and the truthful accurate and proper exercise or practice of our religion A Credible Christianity provides you with the best and latest scholarship behavioral research and psychological insight Galileo a hero of the Renaissance who was accused of sacrilege in his day said I do not feel obliged to believe that the same God who has endowed us with sense reason and intellect has intended us to forego their use

The Sufferings of Our Lord Jesus-Christ Thomas de Jesus,1873 **Unity** ,1913 *Forth* ,1926 **Saving Jesus from Those who are Right** Carter Heyward,1999 In this theological resource for spiritual transformation and social change Carter Heyward rethinks the figure and import of Jesus for church academy and society Rather than focus on the endlessly variable pictures of Jesus in contemporary biblical scholarship and in radical opposition to the Jesus of the Christian Right Heyward presents Jesus as our brother infused with a sacred power and passion for embodying right mutual relation and ourselves with him in this commitment She goes on to explore concretely how we might live this way Wonderfully clear sighted this brief faithful and intelligent Christology offers reconstructions of incarnation atonement evil suffering and fear It also sheds light on the significance of Jesus for ecological racial economic and gender justice Heyward s book envisions a mighty counter cultural force which she names christic power that can help save American culture from its greed and domination and save the figure of Jesus from culture generated distortions In short Heyward s book will help people come to terms with the life changing implications of Jesus person and ethic To a generation in search of the transforming potential of Christian commitment Heyward s most important work offers both spiritual depth and unwavering commitment to the human good A study guide to this book is available here on fortresspress.com Click on the tab Letter from the Author
