Waters, 1990-08-09 Mary Waters admirable study of Americans ethnic choices produces a rich social scientific yield Its theoretical interest derives from the American irony that while ethnicity is supposed to be ascribed many Americans are active in choosing and making their ethnic memberships and identities The monograph is simultaneously objective and attentive to subjective meaning simultaneously quantitative and qualitative and simultaneously sociological and psychological Her research problems are well conceived and her findings important and well documented As ethnicity and race continue in their high salience in American society and politics sound social scientific studies like this one are all the more valuable Neil Smelser co editor of *The Social Importance of Self Esteem* One of the most sensible and elegant books about ethnicity in the United States that has ever been my great pleasure to read Andrew M Greeley University of Chicago Skilled in both demographic and interviewing methods Mary Waters makes ethnicity in contemporary America come alive We learn how people construct their identities and why This is sociological research at its very best and will be of interest to policy makers and educated Americans as well as to students and scholars in several disciplines Theda Skocpol Harvard University Perhaps the most intriguing question in the study of the old European immigration is how the 4th 5th and later generations who are the offspring of several intermarriages are choosing their ethnic identities from the several available to them Professor Waters clever mix of quantitative and qualitative research has produced some thoughtful and eminently sensible answers to that question making her book required reading for

students of ethnicity Her work should also interest general readers concerned with their or their children's ethnic identity or just curious about this yet little known variety of American pluralism Herbert J Gans Columbia University Waters has produced a work with broad theoretical implications The title may be regarded as one of the first serious attempts to understand the dynamics of postmodern societies Waters shows that ethnicity becomes transformed from ascriptive into an achieved status a voluntary construction of individual identity and group solidarity Waters also shows that in America at least this increased flexibility is unavailable to racial minorities Jeffrey C Alexander University of California Los Angeles A theoretically informed and theoretically driven fine grained analysis pooling ideas and issues in both ethnography and demography Stanley Lieberson Harvard University Thanks to Ethnic Options we have a much better understanding of the social and cultural significance of responses to the ancestry question on the 1980 census By combining in depth interviews with analysis of census data Mary Waters puts flesh on the demographic bare bones Her findings suggest that ethnicity is becoming less an ascribed trait fixed at birth than an option that depends on circumstance whim and increasingly the ethnicity of one's spouse Stephen Steinberg author of *The Ethnic Myth* **Say It in Czech** Dover,2012-09-20 Contains over 1 000 useful sentences and phrases for travel or everyday living abroad food shopping medical aid courtesy hotels travel and other situations AFTER THE WAR LT.-COL. Say It In Czech: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Say It In Czech : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
