Prose Observations:

Ben Jonson D.H. Craig, 2012-10-12 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer s work enabling students and researchers to read the material themselves

Jacobean Dramatists B.C. Southam, 2018-01-29 Comprises of individual volumes on Christopher Marlowe Ben Jonson and John Webster The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer s work enabling students and researchers to read for themselves for example comments on early performances of Shakespeare s plays or reactions to the first publication of Jane Austen s novels The carefully selected sources range from landmark essays in the history of criticism to journalism and contemporary opinion and little published documentary material such as letters and diaries Significant pieces of criticism from later periods are also included in order to demonstrate the fluctuations in an author s reputation Each volume contains an introduction to the writer s published works a selected bibliography and an index of works authors and subjects The Collected Critical Heritage set will be available as a set of 68 volumes and the series will also be available in mini sets selected by period in slipcase boxes and as individual volumes

Sociable Criticism in England, 1625-1725 Paul Trolander, Zeynep Tenger, 2007-04 Sociable Criticism in England explores how from 1625 to 1725 cultural practices and discourses of sociability rules for small group discussion friendship discourse and patron client relationships determined the venues within which critical judgments were rendered disseminated and received It establishes how individuals operating in small groups were authorized to circulate critical judgments and commentary why certain modes of critical exchange were treated as beyond the ken of good social manners and how such expectations were subverted or manipulated to avoid the imputation that individuals had violated the standards for offering public criticism Philips George Villiers John Dryden Lady Margaret Cavendish John Dennis and Joseph Addison this study argues that seventeenth and early eighteenth century criticism could circulate either orally in manuscript or in print so long as it appeared to originate in interpersonal encounters considered appropriate to critical discussion

Romantic Women Writers Reviewed, Part II Ann R Hawkins, 2022-08-08 This multi volume reset collection will address a significant shortfall in scholarly work offering contemporary reviews of the work of Romantic women writers to a wider audience

Studies in English, 1929

The Donna Angelica and the British Enlightenment Poets A.D. Cousins, 2024-08-29 The aim of the book is to propose new interpretations of poets who are among the most valued and discussed in the British Enlightenment In fulfilling its aim the book covers English poetry and intellectual history from the Restoration to the later eighteenth century It examines how the myth of the donna angelica the angelic lady ancient in origin but given its best known form within the

medieval literature of fin amor lives on beyond the Middle Ages and the Renaissance into the Enlightenment To be more precise it studies how some major Augustan poets appropriate and recreate what for convenience can be called the donna angelica topos or the angelic lady motif They do so for a great many reasons linked with quite diverse circumstances Nevertheless the myth's intellectual richness emotional intensity and inherent ambiguities mean that it offers each of them a powerful way for articulating interpreting exploring refractions of eros whether singly or diversely directed concerned with sexuality or spirituality informing personal or public experience The myth has as many faces so to speak as does desire it is one and yet many Thus the book pursues a particular fable of eros that appears in a multiplicity of texts in a multiplicity of guises It studies how some of the most interesting poets from Dryden to Crabbe bring the angelic lady motif into modernity
