Mochlos III Natalia Vogeikoff-Brogan,2014-12-31 This volume presents the first of several Late Hellenistic buildings that were uncovered on the island of Mochlos located off the northeastern coast of Crete during the Greek American excavations of the last 25 years It also provides an introduction to the Hellenistic settlement that flourished on the island for nearly a century before it was abandoned The Hellenistic remains overlay much of the Late Minoan III and Neopalatial settlement Due to the excavation of both the Bronze Age and later phases of the town the publication of this Hellenistic building includes paleoenvironmental material among all the other artifacts which is often neglected in excavations of historical material The role that Mochlos played in East Crete is discussed and conclusions are drawn about its relations with Hierapytna during the Late Hellenistic period **The Truth and Beauty** Andrew Klavan,2022-04-05 Follow Andrew Klavan to a deeper richer understanding of the words of Jesus Andrew Klavan believed what he read in the Gospels but he often struggled to understand what Jesus really meant So he began a journey of wrestling with the beautiful and often strange words of Jesus He learned Greek in order to read the Gospels in their original languages and he vowed to set aside any preconceptions about what the Scriptures say But it wasn't until he began exploring how some of history's greatest writers wrestled with the same issues we confront today political upheaval rejection of social norms growing disbelief in God that he found a new way of understanding what Jesus meant In *The Truth and Beauty* Klavan combines a decades long writing career with a lifetime of reading to discover a fresh understanding of the Gospels By reading the words of Jesus through the life and work of writers such as William Wordsworth and John Keats Mary Shelley and Samuel Taylor Coleridge the English romantics Klavan discovered a way to encounter Jesus in a deeper and more profound way than ever before For readers seeking to find renewed meaning in the words of Jesus and for those who are striving for belief in a materialistic world *The Truth and Beauty* offers an intimate account of one man's struggle to understand the Gospels in all their strangeness and so find his way to a life that is as he says the most creative the most joyful and surely the most true *The Publishers' Trade List Annual* ,1985
