over 200 films this resource is ideal for students teachers and other viewers who are interested in using films to enhance their knowledge of American historical events and periods Along with traditional historical categories such as the two World Wars the Civil War and the Great Depression the book emphasizes immigrant multicultural and women centered films to portray the fullness of the American experience It also analyzes representations of people and events across different films for a variety of viewpoints and considers how films reconfigure a past era through the issues of the day in which they were produced For ease of use the book is organized into time periods Each entry contains the setting director cast credits the
