Play Ethic:

The Play Ethic Pat Kane,2011-08-19 Fizzes with intellectual curiosity Kane writes engagingly and with a humility difficult to find among idea entrepreneurs James Harkin Independent We all think we know what play is Play is what we do as children what we do outside of work what we do for no other reason than for pleasure But this is only half of the truth The Play Ethic explores the real meaning of play and shows how a more playful society would revolutionize and liberate our daily lives Using wide and varied sources from the Enlightenment to Eminem Socrates to Chaos theory Kierkegaard to Karaoke The Play Ethic shows how play is fundamental to both society and to the individual and how the work ethic that has dominated the last three centuries is ill equipped to deal with the modern world With verve wit and intelligence Pat Kane takes us on a tour of the playful world arguing that without it business the arts politics education even our family and spiritual lives are fundamentally impoverished The Play Ethic seeks to change the way you look at your daily life how you interact with others how you view the world It is a guidebook to new exciting and unsettling times Shocking controversial yet magnificently argued The Play Ethic is a book no one who works or has ever worked can afford to be without Kane s Manifesto for a Different Way of Living is a brave attempt to inject a little playfulness into the dull grind of the working stiff Iain Finlayson The Times **Adbusters** ,2005 **The Play of the World** James S.
