practitioners from five different countries The volume has been divided into three major sections Phonetic Analysis presents five studies of language learners in both naturalistic and formal educational settings which illustrate aspects of L2 production and perception In Phonological Analysis a more abstract and comparative perspective is taken in order to use recent theories modeling the route of L1 L2 pronunciation and reading ability development to account for observable tendencies in learner behavior Pedagogical Perspectives consists of four contributions of high practical value which look at the mastery of native like or highly intelligible pronunciation as an important component of L2 education Forthcoming Books Rose Arny,2004

*Teaching and Learning Like a Feminist* Elizabeth Mackinlay,2016-11-25 Teaching and Learning Like a Feminist is a conversation between academics in Women s Studies and Gender Studies about the politics of pedagogy in higher education What does it mean to embody feminism in universities today Written in a creative narrative style Mackinlay explores the discursive material and affective dimensions of what it might mean to live the personal as political as performative in our work as teachers and learners in the contemporary climate of neo liberal universities This book is both theory and story and aims to bring feminist theorists such as Virginia Woolf H l ne Cixous Sara Ahmed and bell hooks together in conversation with Mackinlay s own experiences and those of women she interviewed in their diverse roles as feminist academic subjects The fluid writing style presented is a deliberate attempt to enact a post academic form of literature and is playfully punctuated by black and white drawings Teaching and Learning Like a Feminist captures the precarious position of Women and Gender Studies in universities today as well as the danger inherent in grounding teaching and learning work in feminist politics Mackinlay wraps herself in both and invites us to do the same This book is designed to stimulate reflection and lively class discussion and is appropriate for courses in curriculum studies and pedagogy education feminism and feminist theory gender and women s studies and narrative inquiry It can also be read by individual teachers and researchers interested in feminism Mackinlay re envisages how feminist knowledge can be articulated through her audacious and engaging mix of reflection analysis narrative poetry and line drawings This is a refreshingly personal and powerfully collective analysis of doing feminism in hostile institutions It will give heart to many Alison Bartlett The University of Western Australia Perth This highly readable book is a love story about feminism at the same time as a rigorous investigation a must read for

undergraduate students and for scholars who don t identify as feminist core reading for gender courses at all levels and mandatory reading for feminist and gender academics Julie White Victoria University Elizabeth Mackinlay is an Associate Professor in the School of Education at the University of Queensland div div div **Children's Books in Print, 2007** ,2006
