George F. Butterick, 2023-11-15 A Guide to the Maximus Poems of Charles Olson offers an essential companion to Olson s monumental and intricate Maximus Poems This scholarly guide navigates the complexities of Olson s allusive and expansive verse which spans themes from local Gloucester history to universal mythologies With nearly 4 000 annotations the guide meticulously decodes references to historical figures literary works geographical landmarks and philosophical concepts It moves line by line offering insight into Olson s sources and intellectual framework including his borrowings from Algonquin legends Arabic angelology and Whitehead s cosmology Rich with unpublished material from Olson s papers as well as letters interviews and classroom notes the guide aims to equip readers with the tools to actively engage with Olson s text uncovering its layered meanings through his principle of istorin to find out for oneself Structured chronologically rather than alphabetically the guide mirrors the progression of Olson s three volume epic weaving historical scholarship with interpretive clarity Each annotation situates Olson s references in context revealing the intricate interplay between history myth and the poet s life in Gloucester The guide further illuminates Olson s creative process tracing the evolution of his ideas through

drafts personal correspondences and published works Designed as both a reference and an entry point into Olson s ambitious poetic project it not only deepens appreciation for The Maximus Poems but also serves as a model for literary scholarship inviting readers to engage with Olson s world on their own intellectual journey This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980
