Phoenix Inferno Lone Wolf

Mike Barry

Phoenix Inferno Lone Wolf:

Lone Wolf #12: Phoenix Inferno Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Wulff left Detroit with flames in his wake and a shipment of coke in his trunk He didn t know where he d be going next Probably New York although it had so many black memories for him of his fianc e Marie OD s in a cheap rooming house where he found her while he was on a police call Now all he wanted was rest as he drove south out of the motor city But there was no rest for Wulff not as long as the mob wanted him and not as long as the cops wanted him Driving down the Interstate he sidewipes a motorcyclist and stops to help with a politeness that he knows will be a mistake Soon he finds himself held hostage by two henchmen sent on a mission to bring Burt Wulff to Phoenix dead or alive

Lone Wolf #11: Detroit Massacre / Lone Wolf #12: Phoenix Inferno Barry N. Malzberg,2023-01-20 Burt Wulff after two years in the army most of it in Vietnam had been entitled to something nice for his trouble so they had made him a narco A New York City narcotics cop with the freedom and the plainclothes and the graft money but something had happened to this Wulff overseas he had gone crazy He had become a man of integrity Eventually he tried to bust an informant and they knew they would have to do something about this wild man When Wulff saw his fianc e OD d out on the floor he thought that he might go mad on the spot but quite strangely he did not Wulff went straight home and discarded everything except his gun and a spare They were hardly the equipment he would need but they were a beginning By mid summer he had the beginnings of an operation in his mind The rest he would have to play by ear Wulff hit the streets to kill a lot of people The 11th and 12th books in Malzberg s vigilante series The Lone Wolf originally published by Berkley Books in the early 1970s under the name Mike Barry

Lone Wolf #7: Peruvian Nightmare Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Burt Wulff found himself in something called the Hotel Crillon in Lima It was steel and glass looked like a Hilton and had beggars living in the eaves In Wulff s room there was a small man who wanted you to think he was Peruvian but Wulff figured he was German if he was anything at all He wanted Wulff to deliver several million dollars worth of heroin to the States Several of the most efficient man hunting organizations in the world a few of them legal desperately wanted Wulff dead and knew where he was Wulff said I don t think you understand One of the other two men in the room both sprawled on the floor shook limbs flailing like and insect s in his coma The small man flinched and said Your work is well known But you will never get out of Peru without my help

Lone Wolf #5: Havana Hit Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The

Lone Wolf Better meet him now The way he lives he can t live much longer To the Commissioner Burt Wulff a former member of this department began his campaign to destroy the international drug trade in New York Traveling then to San Francisco back across the country to Boston and back yet again to Las Vegas all within a period of less than four weeks he seems to have been solely responsible for the deaths of several hundred operatives involved at all levels of the national and international drug trade At least three of them were at the highest perceptible levels In San Francisco Bay fire aboard and subsequent sinking of a large freighter the destruction of a townhouse in NYC and a row of residences in Boston the gutting of the Paradise Hotel a major resort and gambling center in Las Vegas all seem to be Wulff s work He is apparently marked for execution at all levels of the network and despite the success of his shock tactics cannot go on much longer **Lone Wolf #3: Boston Avenger** Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Memo to Chief NYPD RE Burt Wulff In New York City he was able to kill at least ten people three of them at high levels in East Coast drug distribution network In one case he blew up a three story townhouse on the east side of Manhattan Subject then proceeded to San Francisco there is considerable newspaper evidence as to some of his acts there In a major dock fire a freighter was destroyed and 50 to 60 people were killed including several law enforcement personnel It is strongly indicated however that Wulff considers himself to be aiding the authorities According to unreliable sources who cannot be identified subject saved 250 000 worth of heroin from the ship fire and is now heading with it toward Boston using it as bait to move the ever higher levels of responsibility for the traffic End report **Lone Wolf #9: Miami Marauder** Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Burt Wulff was the target and the way to Wulff was through an old friend named Tamara Calabrese s men came for her in broad daylight abducted her from her home and shot her full of drugs so that she didn t know a thing until she woke up in Miami Miami famous resort town place in the sun and all that but not now not for Tamara and not for Wulff The trouble was that Wulff was dead set against heroin and went around breaking up the neat little trade routes that drug runners had set up around the globe Now Calabrese decided he d had enough of Wulff Now he had Tamara the bait by which to lure Wulff to Miami In the shadow of those fine hotels and fancy shops there was something going on along surfside And that something was called murder **Lone Wolf #6: Chicago Slaughter** Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer There was nothing you could do the policeman thought You just had to seal off your mind Unless you were that crazy bastard Wulff He

thought for a moment of his ex partner ex cop ex combat soldier ex narco who was going to clean up the international drug trade singlehandedly and on the street Wulff was crazy he thought that you could really make a difference The policeman could have laughed but then he thought of what Wulff had accomplished in just a couple of months of single handed action and he was not so sure Moving out on his own he had done more damage than a hundred agencies in twenty years The policeman was still busy with these reflections when the knife entered him between two ribs neatly and almost painlessly at first

Lone Wolf #1: Night Raider Mike Barry,2012-04-01 When a wolf leaves the pack he lives only as long as he can kill by himself quicker and surer than any pack he runs up against Meet a man beyond either forgiveness or vengeance Meet the Man they Call The Lone Wolf Better meet him now The way he lives he can t live much longer Burt Wulff was a nice guy once A New York cop narcotics division But he s seen too much destruction done by the poison in America s veins heroin Too much corrupted and made foul and finally one life too many and too close destroyed Burt Wulff has gone beyond fear beyond love even beyond hate He s simply beyond giving the slightest damn whether he lives or dies so long as he can kill the killers thousands of them all over America and all over the world

Phoenix Inferno Mike Barry,1975 **The Mystery Fancier (Vol. 1 No. 5) September 1977** Guy M. Townsend,P. D.
