

# MEDIUM

A second season of dark dreams for Allison Dubois to unravel as she takes on new cases

**J**UST HOW MUCH mileage is there in a show about a medium who helps the police crack cases usually involving murder and abduction? Surely there are only so many times Allison Dubois can wake up with a start pronouncing she knows exactly where the body is? Well, if that was ever a conundrum, the writers and producers certainly aren't showing that it's something they struggled with as **Medium** slips into its second season and, for the most part, maintains its originality and watchability.

**BEGINNING WITH THE** conclusion of last season's cliffhanger — in which Allison and old friend Captain Push attempt to track down a serial killer in the most unconventional sense — the show immediately resumes what will most likely continue to be the core of the series — Allison's relationship with her husband and children. It's a smart move given that the only way the show will otherwise develop is to push the "spooky" plot device further and further into the world of weird. Yet, while this is happening, the grounding afforded by Joe and the girls allows the viewer to conveniently forget that, for the most part, some of the goings-on are complete bobbins.

Take *Time Out of Mind*, for example. It's a story that insinuates that Allison's dreams have somehow mixed with another similarly psychic girl... some 45 years ago. It's a nice piece of escapism, but it's in stark contrast to other more grounded stories such as *The Song Remains the Same*, in which Allison's dreams are cleverly misconstrued to leave the finale cleverly disguised.

This episode also presents another layer that **Medium** is wrapping around itself this year, as a particularly stylish and quirky opening (which looks for all the world like an iPod commercial) segues into an incredibly clever use of Gloria Gaynor's downtrodden female anthem *I Will Survive* as a means to solve a mystery (Allison literally can't get it out of her head).

**QUIRKS, BIZARRE MYSTERIES** and misdirection aside, it really is the Human drama which is making the show so watchable this year. The writers are treading where so many genre shows fail to look as they address the affects of Allison's "gift" on her family. It's all very well being able to help people by seeing things in your dreams, but what about the husband who is left on the sidelines time after time, often having to drop work or look after the kids

because his wife has to run off at a moment's notice? All of this is presented from a very unbiased and real perspective usually associated with a straight drama, making this both a compelling viewing experience and all the more accessible to viewers who simply 'wouldn't normally watch this kind of thing'.

**IT'S NOT ALL** good though. Let's face it, very few shows are infallible, and while **Medium** has a lot going for it, there are a few aspects which are in dire need of ironing out. The worst offender is that the audience is often three or four scenes ahead of Allison. *Too Close to Call* is a classic case which leaves

you banging your head against the TV screen as Allison ambles around with her nose scrunched up as the mystery unravels itself, making it abundantly obvious what's going on to everyone but her. It's a failing that is often masked by the other goings-on at home (and is almost forgivable then), but when it's a mystery-centric show such as this, it really drags things down.

**ULTIMATELY, MEDIUM** IS showing great strength of character and an ability to adapt and embrace new ideas. If it could just concentrate on some smarter writing where the mysteries are concerned, it would be a real winner.

**Grant Kempster**

**Top** Allison lives another life in *Time Out of Mind*

**Bottom** The bedrock of Allison's life: her family

### **Magazine Article Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Magazine Article free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Magazine Article free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Magazine Article free PDF files is convenient, its important to note that copyright laws

must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Magazine Article. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Magazine Article any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Magazine Article Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Magazine Article is one of the best book in our library for free trial. We provide copy of Magazine Article in digital format, so the resources that you find are reliable.
