

## New challenges for documentary: Second edition

**copy link in description**

The first edition of *New challenges for documentary* provided a major stimulus for teaching about documentary film and television and fresh encouragement for critical thinking about practice. This second edition brings together many new contributions both from academics and filmmakers, reflecting shifts both in documentary production itself, and in ways of discussing it. Once again, the emphasis has been on clear and provocative writing, sympathetic to the practical challenges of documentary film-making but making connections with a range of work in media and communications analysis. With its wide range of contributors and the international scope of its agenda, *New challenges for documentary* will be essential reading for
