The Deception and Betrayal Caused By A Cheating Spouse Stephenie Pompano, 2010-07-22 New relationships marriages and courtships are usually fun and exciting until something goes wrong Being personally violated by a loved one is one of the deepest wounds to be cut with You believe something like this will never happen to you until it does Please learn that if you are the individual who has been violated you did nothing wrong When an affair develops those involved may use excuses and untruths to validate their actions Also if exposed or confronted some may not want to be held accountable for their behavior or pay any consequences This is not in every case that is why I am saying only some Violated relationships can either dissolve permanently or can mend over time For those that mend it takes a lot of time patience and understanding Broken trust is the hardest aspect to earn again A very important lesson I am hoping to teach my readers is if you are in a relationship with someone and are tempted to be with someone else you end the relationship you are currently in and then move on You have no right to cheat and hurt another human being

The Swindoll Study Bible NLT Tyndale, 2018-09 Winner of the 2018 Christian Book Award for Bible of the Year The Swindoll Study Bible offers the best of Chuck Swindoll s wit charm pastoral insight and wise biblical study directly to you as you study God s Word Chuck s warm personal style comes across on every page and his informed practical insights get straight to the heart of the Bible s message for the world today Reading each part of this study Bible is like hearing Chuck speak God s Word directly to your heart It will both encourage readers faith and draw them deeper into the study of God s Word In Chuck s own words This study Bible was designed with you in mind As you read the Scriptures imagine my sitting beside you and sharing personal stories important insights and hard earned lessons that will encourage you to walk

more closely with Jesus Christ You ll discover the who what where when why and how of the Bible Who wrote it and when What does it mean and where did its events occur Why should I trust it And most importantly how can I apply it today It s that last question more than any other that has fed my passion to publish this Bible My primary focus in ministry has been teaching biblical insight for living for genuine life change After all that s why God has communicated His Word to us so that we may become like His Son Jesus Christ the central figure of this Book Free app with purchase App includes all content from The Swindoll Study Bible and can be used across multiple devices with your Tecarta app account Available for iOS and Android Free app applies to print editions only [A Missionary Looks at the Love Letter](#) Richard Lehman,2024-02-19 Jesus gave Revelation as a love letter for his servants to share with the church It is addressed to us from him that loved us and washed us from our sins in his own blood Revelation 1 5 He reminds us that he personally suffered and gave his very best for his bride the church But then with a broken heart in his first letter to the church he says you have left your first love Revelation 2 4 This book interprets Revelation by following the instructions given to us in the first chapter We are told to compare Revelation to the Word of God and the testimony of Jesus Christ Revelation 1 2 Revelation is a heart heavy message very carefully and personally delivered by Jesus Christ himself He doesn t take it lightly when people write up their own interpretations and imaginations about what it means That is why this particular book carefully considers the spiritual heart message that is being delivered to the ministry and we will address each scripture within Revelation in the same order as it was originally given Almost every scripture within Revelation hundreds of them are derived from other scriptures within the rest of the Bible There is no way to interpret Revelation without carefully considering what those scriptures spiritually teach us and then what Jesus is telling us with them through his Revelation This is exactly the way that the apostle Paul taught us to understand scripture Which things also we speak not in the words which man s wisdom teaches but which the Holy Ghost teaches comparing spiritual things with spiritual 1 Corinthians 2 13 Revelation is also a book of many sevens Addressing things seven times is God s way within scripture of completing his purpose and his work There are four different patterns of seven that are explicitly identified within Revelation 7 churches 7 seals 7 trumpets and 7 vials of the wrath of God poured out This pattern of four sevens matches how God said he would correct his people back in Leviticus chapter 26 He said four different times that if his people stray away from him he will correct them seven times and in the last seven he will correct them in his fury Accordingly the last pattern of seven within Revelation is done in God s wrath and fury Revelation finalizes the corrections for all the problems in the church A Missionary Looks at the Love Letter has been written so that you can respond from your heart to the love letter Jesus wrote to you Christ died so that we can have a personal heart to heart relationship with him and his heavenly Father through the Holy Spirit That is how he first established the Kingdom of Heaven on Earth Consequently the purpose of Revelation is to fill us in a greater way with his sacrificial love Intellectual understanding into the different symbols types and patterns of Revelation are a byproduct of that heart transformation

Consequently this book will also explain all of these symbols types and patterns in complete detail directly from the scriptures The book is titled A Missionary Looks at the Love Letter because as a missionary the author has taught this Revelation message to over a thousand ministers already The purpose of Revelation is first to shake and awaken the ministry to their responsibility to respond directly to the heart of God For those ministers where that spiritual heart change takes place a revival breaks forth in their life and spreads to others That Christ may dwell in your hearts by faith that you being rooted and grounded in love May be able to comprehend with all saints what is the breadth and length and depth and height And to know the love of Christ which passes knowledge that you might be filled with all the fullness of God Ephesians 3 17 19

Mani, 2009-12-03 Women Men and Human Capital Development in the Public Sector Return on Investments analyzes the gap in wages paid to women and men who work for federal state and local governments factors that contribute to disparities in pay and organizational strategies for narrowing the gap The gender gap in wages and status is closing Changes in public policies and social and organizational changes have facilitated the development of human capital However many systemic socio psychological and social barriers still limit women's career advancement in the public service American women earn approximately 80 cents for every dollar earned by men Women hold less than 30 percent of executive positions in the private sector as well as federal state and local governments This study analyzes factors both legal and illegal that lead to inequities

in the pay and status of men and women In recent turbulent economic times many organizations have eliminated jobs facilitated early retirements and lost employees frustrated by the lack of opportunities for advancement Proactive organizations prepare for the unexpected by fully developing their human capital Public policies have been less than effective in closing the wage gap due in part to American culture and individual women s choices Women are more likely than men to complete lower levels of education enter the workforce later in life and occupy lower level positions For these reasons the gender based wage gap may never close but as the author points out investments in human capital development may facilitate women s career advancement and narrow the gap The author develops specific strategies for narrowing the wage gap and explores avenues of implementation A Commentary on the Holy Scriptures: Job Johann Peter Lange,1899
