## **Masculinity Morality:**

**Masculinity & Morality** Larry May, 1998 Examines the relationship between masculinity and moral responsibility with emphasis on group oriented issues Manliness and Morality J. A. Mangan, 1987 **Good Guys, Bad Guys** Emily K. Carian, 2024-05-07 Good Guys Bad Guys The Perils of Men's Gender Activism explores questions of masculinity privilege and identity to explain why some men become feminists while others become men's rights activists The surprising similarities between these groups of men reveal why men's feminist allyship is not enough to solve gender inequality *Literary Radicalism in India* Priyamvada Gopal, 2005 This book situates postcolonial Indian literature in relation to the hugely influential radical literary movements initiated by the Progressive Writers Association and the Indian People's Theatre Association *The Partitions of Memory* Suvir Kaul, 2002-09-19 Echoes of the traumatic events surrounding the Partition of India in 1947 can be heard to this day in the daily life of the subcontinent each time India and Pakistan play a cricket match or when their political leaders speak of unfinished business Sikhs who lived through the pogrom following the assassination of Indira Gandhi recall Partition as do most recently Muslim communities targeted by mobs in Gujarat The eight essays in *The Partitions of Memory* suggest ways in which the tangled skein of Partition might be unraveled The contributors range over issues as diverse as literary reactions to Partition the relief and rehabilitation measures provided to refugees children's understanding of Partition the power of national monuments to evoke a historical past the power of letters to evoke more immediately poignant pasts and the Dalit claim at the prospect of Partition to a separate political identity The book demonstrates how fundamental the material and symbolic histories of Partition are to much that has happened in South Asia since 1947 Contributors Mukulika Banerjee Urvashi Butalia Joya Chatterji Priyamvada Gopal Suvir Kaul Nita Kumar Sunil Kumar Richard Murphy and Ramnarayan S Rawat The Best Laid Plans Jim Leach, Jeannette Sloniowski, 2017-12-04 Explores the significance of the heist film genre The heist a carefully organized robbery of a financial institution or other lucrative business has been a persistent and popular mainstay of the crime film *The Best Laid Plans: Interrogating the Heist Film* asks the question why has the heist film proved so appealing to audiences over many years and in diverse cultural contexts The twelve essays in this volume edited by Jim Leach and Jeannette Sloniowski explore the significance of the heist film in different national cinemas as well as its aesthetic principles and ideological issues such as representation of gender race and class The essays are organized in three parts dealing with the heist film's international presence the subgenre's social and cultural implications and some theoretical ways of approaching it For example contributor Tim Palmer challenges traditional notions of French film history that emphasize critically acclaimed art films by pointing to the rich achievements of critically defamed and neglected but extremely popular crime films Gaylyn Studlar surveys heist films in light of feminist theories that illuminate stereotypical characterizations of both men and women in the heist and Hamilton Carroll compares James Marsh's documentary *Man on a Wire* which draws on heist conventions to depict Philippe Petit's unauthorized

tightrope walk in 1974 between the two towers of the World Trade Center to Spike Lee's New York set heist film *Inside Man*

The Best Laid Plans includes an accessible group of essays that will meet the needs of students and scholars in film and media studies by offering new insights into an important and neglected area in genre criticism
