## **Process Of Investigation:**

The Process of Investigation Charles A. Sennewald, John Tsukayama, 2014-12-30 The Process of Investigation Fourth Edition addresses the needs of today's private sector investigative professional by providing a full spectrum treatment of the investigative process from case inception and investigative strategy selection to executing complex investigative techniques to creating reports useful for corporate legal and prosecutorial purposes Continuing in the tradition of its previous editions The Process of Investigation Fourth Edition covers essential topics overlooked in books on the public aspects of investigation Investigative skills such as surveillance techniques interviewing and interrogation collecting and documenting evidence and taking confessions and written statements are all discussed and supplemented with updated case studies and examples from the authors own professional experiences Teaches the fundamentals of the investigative process and serves as a valuable reference tool for both the student and the professional Experienced professionals can brush up on seldom used specialty skills and reconsider existing methods and approaches Includes a new chapter on discrimination investigations

The Process of Investigation Charles A. Sennewald, John K. Tsukayama, 2006 The field of professional investigation has long been considered the exclusive domain of the public sector In years past members of private enforcement agencies have been overlooked in favor of their public counterparts With professionalism marking a new era in private security the author draws the line and clearly defines the private sector as an individual investigative arm The Process of Investigation Third Edition continues in its tradition of serving as a valuable handbook for investigators working in the private sector It contains complete updates since its June 01 publication This includes mention and coverage where relevant of the effects of 9 11 on the security industry particularly the need to incorporate awareness of terrorism and terrorist activities when investigating any suspicious behavior events or actions A legal change in the Fair Credit Reporting Act is included in Chapter 5 specifically other more minor modifications in legislation that have been passed and implemented since the last edition are also addressed throughout The Third Edition contains two brand new chapters Chapter 10 discusses interviewing and interrogations written by two premier experts Doug Wicklander and Dave Zulawski Chapter 23 addresses the issues of workplace violence and includes coverage of stalking domestic violence spillover into workplaces red flags and the Theory of Threat Assessment and Management TAM among other topics Covers updated legal statutes and their implications as they relate to interviews video and surveillance recording and background investigations Serves as recommended reading for ASIS's prestigious CPP and PCI certifications Has numerous case studies within the text which present real world problems and the often complex solutions to solving cases and resolving issues
