

10/10/74 - 20

Paragraph 17. The records that reflect the fact, as stated above, as well as the fact that in light of the following items:

- availability of funds and administrative costs
- availability of personnel
- availability of facilities
- availability of equipment
- availability of transportation
- availability of other resources

The activities would be conducted primarily in the form of a series of seminars and conferences which would be held in conjunction with the fact that the following items are available:

• Staffing levels that are not too heavy and that would be maintained at a level that would be consistent with the needs of the program.

• The major cost of the program is the salaries of the personnel who are engaged in the program. It is estimated that the total cost of the program for the first year would be approximately \$1,000,000. This cost would be covered by the Department of Defense. It is estimated that the total cost of the program for the second year would be approximately \$1,000,000. This cost would be covered by the Department of Defense. It is estimated that the total cost of the program for the third year would be approximately \$1,000,000. This cost would be covered by the Department of Defense.
