

The image is a composite graphic. It features several silhouettes of human faces and hands. On the left, there's a profile of a face looking towards the right. In the center, there's a hand with fingers spread, palm facing forward. On the right, there's another profile of a face looking towards the left. The background is a vibrant, multi-colored gradient, transitioning from blue on the left to red on the right, with green and yellow in the middle. The overall mood is one of unity and compassion.

**The Power of Compassion** Laura Galiana, Noem Sans Martnez, 2019-08-08 Compassion is associated with feelings emotions expressions of care and comfort derived from a place of love and relationship However as The Power of Compassion demonstrates compassion is indeed based out of a position of power a personal resource and strength to sustain people in complex and difficult times in their lives but also a concept which is meaningful at an organisational level and to society at large Compassion has a growing scientific basis notably within psychology and neuroscience but its application is increasingly evident across a range of health and social care systems This book brings together the wisdom of compassionate science through the exposition of work by international experts on the development of evidence in the field of compassion research and training Divided into four sections readers will find a comprehensive and contemporary review of current measures opportunities for training into compassion and self compassion and its application to different contexts such as mental illness and end of life as well as an understanding of compassion at a more global level As a whole it provides a comprehensive text for academics researchers and scholars as well as students interested in this new and dynamic field of study This new textbook edited by Laura Galiana and Noem Sans offers different facets of a complex concept and will no doubt lead to further debate and a better discourse on how compassion can be transformative And that is something truly powerful

*Power Of Compassion The Dalailama, Organizational Compassion* Ace Volkmann Simpson, Miguel Pina e Cunha, Stewart Clegg, Arménio Rego, Marco Berti, 2024-03-14 Organizational compassion provides a multitude of benefits at individual team and organizational levels These encompass heightened positive affect trust engagement loyalty performance resilience and recovery This important book provides an accessible yet scholarly overview of key academic findings and theories on organizational compassion It equips readers with tools for reflection awakening and practical application of compassion within the workplace across dyadic team and organizational contexts Historically compassion work has been largely unacknowledged in official organizational discourse Yet wherever there are human beings there will be suffering where there is human suffering one can often find human responses infused with kindness and compassion This observation holds true across industries professions and communities The book explores the complexities of organizational compassion analyzing the factors that enhance organizational compassion capabilities as well as those that make compassion falter and fail The primary aim of this book is to foster the cultivation of organizational compassion by providing a provocative stimulating and engaging foray into the academic study of organizational compassion for readers ranging from undergraduate to postgraduate and executive students as well as reflective practitioners In a world marked by suffering and challenges a research based understanding and fostering of compassion at work offers a path towards a better future

*The Power of Compassion* Charles Preston Fletcher, 2024-06-14 When we take the time for personal reflection God gives us the eyes to see with love Our love can grow and spread to others through compassion Our struggles have their benefits and

virtues grow from finding them We can cultivate positive thoughts to construct a future and get stronger in the process By first believing in ourselves compassion helps us all To live Happier lives We build better lives for ourselves and others by tending to the gardens of the heart Compassion in general is a great place to start tending to the gardens of our hearts and as our gardens grow we can share the fruits of our labor with our neighbors and they can do the same for us Altruism Matthieu Ricard,2015-06-02 The author of the international bestseller Happiness makes a passionate case for altruism and why we need it now more than ever In Happiness Matthieu Ricard demonstrated that true happiness is not tied to fleeting moments or sensations but is an enduring state of soul rooted in mindfulness and compassion for others Now he turns his lens from the personal to the global with a rousing argument that altruism genuine concern for the well being of others could be the saving grace of the 21st century It is he believes the vital thread that can answer the main challenges of our time the economy in the short term life satisfaction in the mid term and environment in the long term Ricard s message has been taken up by major economists and thinkers including Dennis Snower Amartya Sen Joseph Stiglitz and George Soros Matthieu Ricard makes a robust and passionate case for cultivating altruistic love and compassion as the best means for simultaneously benefitting ourselves and our society It s a fresh outlook on an ardent struggle and one that just might make the world a better place

**The Power of Compassion** Marion Kostanski,2009-03-26 We entered the 21st Century full of anxiety with the promised threat of a millennium bug that could potentially cripple our lives Since then we have witnessed an increasing level of angst and despair across the world as warnings of climate change and economic hardships have been forecast Wars have raged a new evil has entered our consciousness and the word terrorism has come to the forefront of our lexicon Millions of innocent people have lost their lives Today we are witnessing the ever increasing state of displaced persons being shuffled from makeshift home to makeshift home being locked up in camps and cut off from the rest of society Everywhere around us we hear about increases in depression and mental health disorders among the general population Young people are checking out of the mainstream there are phenomenal increases in the rate of suicide and older people are living out wretched lives isolated and alone Multinational corporations have been accused of extorting vulnerable peoples for economic gain and consumption seems to be our new idol What is becoming of our society How do we make sense of our world The essays in this book provide a compelling insight and reflection into the work of health professionals as they struggle to make sense of their work and the world around them in this new century From exploring the concept of Living Compassion working with the good bad and ugly aspects of our lives and reflecting on practice the authors discuss their ideas on compassion They offer you the reader an opportunity to reflect on your own daily practice and to go forward with a sense of shared humanity
