Operation Garbo

Agostino von Hassell, Sigrid MacRae

Operation Garbo:

Operation Garbo Juan Pujol García, Nigel West, 2011-08-11 He was GARBO to the Allies and ALARIC to the Germans the most successful double agent of the Second World War Indeed his spy network across Britain was so highly regarded that he was decorated for his achievements by both sides Throughout the war GARBO kept the Germans supplied with reports from his ring of twenty four agents Hitler's spymasters never discovered or even suspected a double cross but all the agents in GARBO's network existed solely in his imagination In one of the most daring espionage coups of all time GARBO persuaded the enemy to hold back troops that might otherwise have defeated the Normandy landings on D Day without him the Second World War could have taken a completely different course For decades GARBO's true identity was a closely guarded secret After the war he vanished Years later after faking his own death Juan Pujol García was persuaded by the author to emerge from the shadowy world of espionage and in this new edition of his classic account now updated to include his agents original MI5 files GARBO reveals his unique story

Operation Garbo Juan Pujol, Nigel West, 1987-01 Offers the never before revealed story of the agent known only as GARBO and follows his real life espionage from the gentlemen's clubs of London to the beachhead trenches of Normandy

Summary of Juan Pujol Garcia & Nigel West's Operation Garbo Everest Media, 2022-03-24T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was born in 1912 in Barcelona Spain I grew up near the railway line and my mother always spoke Catalan at home but never Castilian We were first and foremost Spaniards and we never felt the sting of separatism 2 My father Juan Pujol was a Catalan through and through He had a difficult childhood but he was able to set up his own little factory and become the most important dye house in Barcelona He was extremely honest and noble and he instilled those qualities in me 3 My father was a loving and caring man who was always there for me He not only broke his own toys but also those of his children He would take us for long walks along the beach and buy us cakes and sweets when we were in the hospital 4 My father was a liberal who believed in freedom He never attended political gatherings or party meetings and he abhorred oppression He taught me to respect the individuality of human beings their sorrows and their sufferings be they rich or poor good or evil black or white

Alliance of Enemies Agostino von Hassell, Sigrid MacRae, 2013-12-10 Alliance of Enemies tells the thrilling history of the secret World War II relationship between Nazi Germany's espionage service the Abwehr and the American OSS predecessor of the CIA The actors in this great as yet untold story were often at odds with their respective governments Working in the face of competing ideologies and at great personal risk these unorthodox collaborators struggled to bring about an early peace By mining secret World War II files that were only recently declassified as well as personal interviews diaries and previously unpublished accounts to unearth some of history's surprises Agostino von Hassell and Sigrid MacRae shed new light on Franklin Roosevelt's surprising stance toward Hitler before the U S entered the war and on the relationship of American business to the Third Reich They offer vivid details on the German resistance's desperate efforts to
