Requiem Jerome McDonough,1977-06-01 Requiem Forrest McDonald, Ellen Shapiro McDonald,1988 A Requiem for the Running Man James Lineberger,1969 **Derek Jarman** Rowland Wymer,2019-01-04 This book gives detailed and original critical readings of all eleven of Derek Jarman's feature length films arguing that he occupies a major and influential place in European and world cinema rather than merely being a cult figure It places particular emphasis on the importance of Renaissance art and literature for Jarman and emphasises his interest in Jungian psychology Wymer shows how Jarman used his films to take his audience with him on an inner journey in search of the self whilst remaining fully aware of the dangers of such a journey Making substantial use of Jarman's unpublished papers as well as all his published works Wymer argues that the films are orientated towards a much wider audience than is often supposed They are addressed to anyone of whatever gender or sexuality who is prepared to go on a journey in search of him or her self and to become Jarman's accomplice in the dream world of the soul *Rob Wagner's Beverly Hills Script* ,1929 *Dutch Film* ,1987

Paperbound Books in Print, 1991 Faulkner On and Off the Page Carl Rollyson, 2025-04-15 Though numerous biographies have been published on William Faulkner readers are often presented conflicting interpretations of his life and work Faulkner's view of himself and his own family was mercurial and it is widely acknowledged that Faulkner was an unreliable narrator of his own life As a result biographies of Faulkner echo and complicate the multitude of ways he portrayed himself accepting that truth if it exists is subjective Like his work Faulkner's own life then is not only open to different readings but welcomes them within the landscape of his oeuvre *Faulkner On and Off the Page* acknowledges the challenges of factifying a life into a textual narrative while also emphasizing the potential for biography to establish a throughline that traces how literature emerges from life and in turn shapes the life narrative Faulkner constructed for himself Unburdened by the sanctity of the written word Faulkner embraced mutability and perpetual evolution This process of reinvention also manifests within the pages of Faulkner's biographies as each biographer brings a unique context and perspective shaped by generations of Faulkner scholars Rather than thinking of Faulkner as exclusively the great high modernist who strayed to Hollywood when he needed the money and stayed home when he didn't this book portrays an unsettled writer incessantly on the move incorporating what only looked like alien elements into his work while maintaining a public persona that disparaged anything that did not fit the narrative of the novelist he created in interviews essays and speeches This book attempts to carry on the work of finding the man on the page even as he is shaping a life off of it
