Reblitz,1985-01-01 For

beginners and experienced technicians alike **Rebuilding the Player Piano** Larry Givens,2013-09 Instructions On How To Rebuild The Player Piano And Related Instruments *Player Piano* Arthur W. J. G. Ord-Hume,1971 *Player Piano* tells for the first time the fascinating story of the mechanical piano from earliest times up to the heyday of the instrument in the 1930s Never before has this story been related although the end of the player piano is certainly still within the living memory of most of us and many hundreds of these devices are still to be found in our homes In addition to telling the story of the development of these pianos which strove to produce perfect music without the need for skills on the part of the performer this book sets out in copious detail exactly how these complex mechanisms work For the owner of an instrument step by step

instructions for the restoration and preservation of both the early barrel playing pianos and the most sophisticated player and reproducing instruments are given To fully illustrate their development design and mechanical processes no less than 112 plates and 110 long drawings are included Jacket

Piano Servicing, Tuning, and Rebuilding for the Professional, the Student, and the Hobbyist Arthur A. Reblitz,1993 Provides all the information needed for restoring and maintaining pianos both for professionals and amateurs
