Sarahs Baby

Peter Wolfe

Saraha's Baby:

Widow's Fire Elizabeth Chadwick, 2014-04-01 A gun toting widow is more than a match for a mere cowboy in this unforgettable Western romance from the bestselling author of *Virgin Fire*. His mind preoccupied with the threat of cattle theft, Justin Harte was in no position to fall in love. But when his eye caught sight of the beautiful, forceful and unbelievably skilled Anne McAuliffe who could shoot a gun better than many men, he knows his heart began to beat so loudly that his mind could not talk any sense into him. Going beyond playing hard to get, Anne made it clear that she was not interested in the strapping and debonair Justin. But could Anne control her heart as easily as she thought or would she drop her gun and be swept into Justin's waiting arms.

Captive of the Labyrinth Mary Jo Ignoffo, 2022-08-01 *Captive of the Labyrinth* is reissued here to commemorate the 100th anniversary of the death of rifle heiress Sarah L. Winchester in 1922. After inheriting a vast fortune upon the death of her husband in 1881, Winchester purchased a simple farmhouse in San Jose, California. She built additions to the house and continued construction for the next twenty years. When neighbors and the local press could not imagine her motivations, they invented fanciful ones of their own. She was accused of being a ghost-obsessed spiritualist, and to this day it is largely believed that the extensive construction she executed on her San Jose house was done to thwart death and appease the spirits of those killed by the Winchester rifle. Author and historian Mary Jo Ignoffo's definitive biography unearths the truth about this reclusive eccentric, revealing that she was not a maddened spiritualist driven by remorse, but an intelligent, articulate woman who sought to protect her private life amidst the chaos of her public existence and the social mores of the time. The author takes readers through Winchester's several homes, explores her private life, and by excerpting from personal correspondence, one learns the widow's true priority was not dissipating her fortune on the mansion in San Jose, but endowing a hospital to eradicate a dread disease. Sarah Winchester has been exploited for profit for over a century, but *Captive of the Labyrinth* finally puts to rest the myths about this American heiress and, in the process, uncovers her true legacies.

The Southern Debate over Slavery Loren Schweningen, 2024-03-18 An incomparably rich source of period information, the second volume of *The Southern Debate over Slavery* offers a representative and extraordinary sampling of the thousands of petitions about issues of race and slavery that southerners submitted to county courts between the American Revolution and Civil War. These petitions, filed by slaveholders and non-slaveholders, slaves and free blacks, women and men, abolitionists and staunch defenders of slavery, constitute a uniquely important primary source. The collection records, with great immediacy and minute detail, the dynamics and legal restrictions that shaped southern society.

Sarah's Key Tatiana de Rosnay, 2007-06-12 Now a major motion picture. From beloved international sensation and 1 New York Times bestselling author Tatiana de Rosnay comes her celebrated novel *Sarah's Key*. Paris, July 1942. Sarah, a ten-year-old girl, is brutally arrested with her family by the French police in the Vel d'Hiv roundup, but not before she locks her younger brother in a cupboard in the family's apartment, thinking that she will be back within a few hours. Paris, May 2002. On Vel d'Hiv's 60th anniversary, journalist Julia Jarmond is
