Sekretnyi Terror:

Crime Without Punishment Guenther Reinhardt,1952 *Agents of Terror* A. I. Vatlin,2016 In the Great Terror of 1937-38 more than a million Soviet citizens were arrested or killed for political crimes they didn't commit. What kind of people carried out this violent purge and what motivated them? This book opens up the world of the Soviet perpetrator for the first time. Focusing on Kuntsevo, the Moscow suburb where Stalin had a dacha, Alexander Vatlin shows how Stalinism rewarded local officials for inventing enemies. *Agents of Terror* reveals stunning, detailed evidence from archives available for a limited time in the 1990s. Going beyond the central figures of the terror, Vatlin takes readers into the offices and interrogation rooms of secret police at the district level. Spurred at times by ambition and at times by fear for their own lives, agents rushed to fulfill quotas for arresting enemies of the people. Even when it meant fabricating the evidence, Vatlin pulls back the curtain on a Kafkaesque system forcing readers to reassess notions of historical agency and moral responsibility in Stalin-era crimes.

Terror in Our Time Richard Wilmer Rowan,2017-10-22 Excerpt from *Terror in Our Time* The Secret Service of Surprise Attack. Many fortunate countries were spared involvement in the great war of 1914-1918, but now all the nations of the civilized world are bound to share its remorseless heritage. The impact, the strain, and the terror have not thus far been equally divided; yet in some degree to every corner of the earth this new, never-abating and clandestine struggle has already extended its network of intrigue. It is a subterranean conflict being fought by brigades of secret agents with every sort of weapon that comes to hand. And it is the kind of conflict that is certain to breed other hostilities, for even as its skirmishers and shock troops press on to the attack, they prepare the way for that more terrible war which is waged in the open and in the dark simultaneously.
