Dimensions Betty Nadine Thomas,2024-10-29 Dimensions is a journey across different dimensions of time space and places beyond myself It has been an exhilarating and amazing experience that has been profoundly enlightening to me and I hope it will also be to those who read it Throughout my life I have been guided by Spirit Guides who have been teachers guides mentors and spiritual leaders Many of my ideas poems and drawings are creations that have been gifts to me from these Spirit Guides I frequently say I am only the person holding the pen Most of my work is rarely edited as I feel it would be disrespectful to alter words or ideas that have been given to me from my Spirit Guides With that said I hope that those who read Dimensions recognize there are other dimensions that every human can reach that are beyond this human dimension and exploring them is an absolutely amazing journey
