Remembering Jake:

Swashbucklers Dan Hanks,2021-11-09 When Cisco Collins returns to his home town thirty years after saving it from being swallowed by a hell mouth opened by an ancient pirate ghost he realises that being a childhood hero isn't like it was in the movies Especially when nobody remembers the heroic bits even the friends who once fought alongside him Struggling with single parenting and treated as bit of a joke Cisco isn't really in the Christmas spirit like everyone else A fact that's made worse by the tendrils of the pirate's powers creeping back into our world and people beginning to die in bizarre ways With the help of a talking fox an enchanted forest a long lost friend haunting his dreams and some 80s video game consoles turned into weapons Cisco must now convince his friends to once again help him save the day Yet they quickly discover that being a ghostbusting hero is so much easier when you don't have schools runs parent evenings and nativity plays to attend And even in the middle of a supernatural battle you always need to bring snacks and wipes File Under Fantasy Parenting Hacks Candy Caning Boss Fight Playing with Power *Memories* Laurie Loveman,1998-12-31 In 1932 former New York City Fire Captain Jake McCann is appointed fire chief in Woodhill a small Ohio village He and his two officers also from New York City are haunted by their memories of two tragic events For Jake the appointment is a chance for him to rebuild his life in the town where his twin brother a physician already lives The first person Jake meets upon his arrival is Laura Darvey a woman married to a local gangster In addition to her profession as a nurse Laura raises Appaloosa horses inviting Jake to visit her farm sparks his interest in horses and provides an opportunity for Jake and Laura to become more than friends When Laura's husband learns of the relationship he unleashes the fury of Prohibition Era gangsters on both of them Deadly Memories Pamela M.
