

Pre-Number Concepts - Matching

A matching exercise for pre-number concepts. On the left, there is a vertical column of four light blue squares, each containing a number and a black dot to its right. The numbers are 1, 4, 2, and 3 from top to bottom. On the right, there is a large rectangular box containing four rows of objects, each with a black dot to its left. The rows are: two purple fish, three red apples, one brown circle, and four yellow stars. Lines connect the numbers to the correct count of objects: 1 connects to the fish, 4 connects to the stars, 2 connects to the apples, and 3 connects to the circle.
