Passion For Pattern:

Power Play in Latin Love Elegy and its Multiple Forms of Continuity in Ovid's >Metamorphoses José Manuel Blanco Mayor, 2017-02-20 Conceived as a necessary reconsideration of the pristine elegiac question in Ovid's Metamorphoses this book intends to offer an analysis of the function of elegiac discourse within Ovid's magnum opus from the perspective of metapoetics To that end the author undertakes in the first section a close re-reading of some relevant passages of Latin love elegy From a prism that takes into account the characteristically elegiac multivocality the genre reveals itself as an agonistic discourse in which the poet dramatises his metaliterary power relation with the puella who is unveiled as the synthesis of the distinct sub-products of his poetic activity Thereupon the author proceeds to scrutinise how elegiac elements are assimilated and transformed as they become integrated within the framework of Ovid's poem of changing forms Far from being a mere stylistic ornament the presence of an elegiac register in many erotic passages tells us about Ovid's stance towards love as a metapoetic trope By reworking elegiac tradition to the point of transforming it into a novum corpus the poet ultimately substantiates the mutability of generic categories **A Passion for Pattern** Katrin Cargill, 1999-06-07 **Transforming Work** Patricia Boverie, Michael Kroth, 2008-01-07 In this age of stiff competition and free agency no organization can afford to take its employees for granted The new labor market landscape is forcing organizations to think creatively about how to inject passion in the workplace and motivate their employees to find meaning in their work In Transforming Work Boverie and Kroth draw from their extensive research and experience in the field to show executives HR professionals and students how to create inspiring employee friendly work environments in order to capture develop and retain talent and transform both the employees and the organization in the process **English Compound Words and Phrases.
