## **Roundabout Ransom:**

**Roundabout Ransom**, 1996     The Fugitive Legacy Charlotte H. Beck, 2001-01-01 Previously the protagonists of John Crowe Ransom Allen Tate Donald Davidson and Robert Penn Warren have received considerable scholarly attention only as individuals or in relation to small groups of close knit writers within single literary genres Now for the first time this far ranging group of accomplished writers is united as part of a larger phenomenon the Fugitive legacy which has extended its influence far beyond the parameters of southern literature In The Fugitive Legacy Charlotte H Beck demonstrates the strong influence of the Nashville Fugitives as teachers editors and mentors by examining the extraordinary impact on American letters of the critics poets and fiction writers whom they taught or sponsored By treating the careers of these brilliant authors as a single chapter in literary history Beck makes an invaluable contribution to the understanding of southern literature The cultural importance of the Fugitives has too often been confused with the narrow politics of Agrarianism and relegated to a reactionary piety for regionalism and dead tradition The Fugitive Legacy fills a void in southern literary theory by revealing the resounding echo of this group's voice in modern American literature     **Soldiers Of Christ** Thomas F.X. Noble, Thomas Head, 1995-01-02 To understand European culture and society in the Middle ages it is essential to understand the role of Christianity And there is no better way to understand that role than to study that religion's greatest human heroes the saints For if medieval Christians regarded God as their king then the saints were the Christian nobility human members of the divine court The purpose of Soldiers of Christ Saints and Saints Lives from Late Antiquity and the Early Middle Ages is to present some of the most significant records of the lives of those people considered to be saints In exploring these works the reader will be presented with rich evidence about the development of religion and society in western Europe from the late Roman empire to the great changes that transformed European society around the year 1000 Each text is newly annotated and prefaced by the editors and a general introduction on saints and saints lives makes this volume ideal for students and general readers alike Included are lives of Martin of Tours Augustine of Hippo Germanus of Auxerre Boniface of Crediton Strum Willibrord Benedict of Aniane Leoba Willehad of Northumbria and Gerald of Aurillac as well as the Hodoeporicon of Saint Willibald     **The Works of William Makepeace Thackeray: Round-about papers.
