Royal Changeling:

The Royal Changeling John Whitbourn, 2013-10-31 Invading England after Charles II's death the Duke of Monmouth comes face to face with an old friend Theophilus Oglethorpe Oglethorpe in common with only a handful of others knows Monmouth's background fully not only that he is Charles's son but also that he has elven blood and has allied himself with evil powers in order to take England's crown In fact he is being used as a cat's paw by one far more steeped in evil than himself King Arthur who would return to rule Britain and the entire world Through London Glastonbury Sedgemoor and many stranger places unearthly battles rage and the elves forsake their millennia long neutrality Royal Changeling Random House, 1998-03-01

Shakespeare's Lost Kingdom Charles Beauclerk, 2011-02-08 A book for anyone who loves Shakespeare One of the most scandalous and potentially revolutionary theories about the authorship of these immortal works Mark Rylance First Artistic Director of Shakespeare's Globe Theatre It is perhaps the greatest story never told the truth behind the most enduring works of literature in the English language perhaps in any language Who was William Shakespeare Critically acclaimed historian Charles Beauclerk has spent more than two decades researching the authorship question and if the plays were discovered today he argues we would see them for what they are shocking political works written by a court insider someone with the monarch's indulgence shielded from repression in an unstable time of armada and reformation But the author's identity was quickly swept under the rug after his death The official history of an uneducated merchant writing in near obscurity and of a virginal queen married to her country dominated for centuries Shakespeare's Lost Kingdom delves deep into the conflicts and personalities of Elizabethan England as well as the plays themselves to tell the true story of the Soul of the Age Beauclerk's learned deep scholarship compelling research engaging style and convincing interpretation won me completely He has made me view the whole Elizabethan world afresh The plays glow with new life exciting and real infused with the soul of a man too long denied his inheritance Sir Derek Jacobi
