Passion Gospels:

The Twelve Passion Gospels Holy Trinity Monastery,1996 During the Orthodox celebration of Holy Week the Church relives the arrest trial sufferings and crucifixion of Jesus Christ On Matins of Holy Friday commonly served on the evening of Holy Thursday there is a special service where the passion of Christ s sufferings in the Garden of Gethsemane His Trial and Crucifixion through all four Gospels is read aloud in church This book provides the English text for those twelve Passion Gospel readings *The Passion of Jesus in the Gospel of John* Donald Senior,1991 A Michael Glazier book Includes bibliographical references and indexes *The Cross that Spoke* John Dominic Crossan,2008-03-01 In this revolutionary work John Dominic Crossan reveals that the Passion and Resurrection Narratives in the four canonical Gospels are radical revisions of an earlier Gospel account He argues boldly that the apocryphal Gospel of Peter discovered in the grave of a Christian monk in Egypt circa 1886 contains the earliest version of the death burial and resurrection of Jesus He describes how the authors of the four Gospels revised the early account of how their revision predominated as Roman authority grew Lacking in the revision he suggests is the very heart of the earlier Passion its depiction of Jesus death as the consummation of Israel s pain and the resurrection as the vindication of Israel s faith *Becoming John* Kari Syreeni,2018-10-18 In this new analysis of the Gospel of John Kari Syreeni argues that the gospel is a heavily reworked edition of an earlier Johannine work and that the original did not include Jesus passion Syreeni theorizes that the original gospel ended at Chapter 12 with the notion of Jesus disappearance from the world and that the passion narrative was incorporated by a later editor freely using the existing gospels of Mark and Matthew Syreeni suggests that the letters of John written after the predecessor gospels but before the final edition reveal a schism in the Johannine community that was caused by the majority faction s acceptance of Jesus death and resurrection as it was then recorded in the new gospel By exploring the gospel s different means of legitimizing the passion story such as the creation of the Beloved Disciple to witness Jesus passion and the foreshadowing of the resurrection of Jesus in the miracle of Lazarus Syreeni provides a bold and provocative case for a new understanding of John **History of the Passion: the Gospel narrative, with notes** Arthur Devine,1890 **Devotional Commentary on the Gospel Narrative: Our Lord's passion** Isaac Williams,1875 [The Passion and Resurrection Narratives of Jesus](#) Stephen J. Binz,2020-12-15 The gospel stories of the passion and resurrection of Jesus are at the core of Christian faith revealing the nature of God the person of Jesus and the path of every disciple Explore these essential stories in the unique accounts of Matthew Mark Luke and John with reliable guide Stephen Binz and embrace the cross and resurrection in your own life Ideal for Lent Easter study Commentary study and reflection questions prayers and access to online lectures are included 6 lessons [An Introduction to the New Testament and the Origins of Christianity](#) Delbert Burkett,2002-07-10 Publisher Description **Passion Narratives and Gospel Theologies** Frank Matera,2001-06-28 Although the passion narratives of the synoptic gospels can be read as free standing narrative each one of them is the goal

and climax of the Gospel story that precedes it In *Passion Narratives and Gospel Theologies* Frank Matera describes the intimate relationship between the theology of each of the synoptic gospels and its passion narrative Matera s study of the Markan passion narrative in light of the Gospel s theology shows that no one can confess that Jesus is the Son of God until he or she acknowledges Jesus as the crucified Messiah and no one can be Jesus disciple unless he or she accepts the scandal of the cross While the Gospel of Matthew continues to develop the great themes of Mark s gospel Matera argues that its passion narrative manifests a distinctive ecclesiological and ethical outlook in light of its unique gospel theology Finally Matera demonstrates how the Lukan passion narrative by presenting Jesus as a model of innocent suffering also contains a distinctive outlook in light of its gospel theology God s righteous suffer afflictions by trial and persecution Comprehensive in scope and clearly written *Passion Narratives and Gospel Theologies* provides a much needed introduction to the synoptic passion narratives and the theology of each evangelist It will be welcome by students and pastors

Ancient Apocryphal Gospels Markus Bockmuehl, 2017-01-17 In this reader friendly guide Markus Bockmuehl offers a sympathetic account of the ancient apocryphal Gospel writings showing their place within the reception history and formation of what was to become the canonical fourfold Gospel Bockmuehl begins by helping readers understand the early history behind these noncanonical Gospels before going on to examine dozens of specific apocryphal texts He explores the complex oral and intertextual relationships between the noncanonical and canonical Gospels maintaining that it is legitimate and instructive to read the apocryphal writings as an engagement with the person of Jesus that both presupposes and supplements the canonical narrative outline Appropriate for pastors and nonspecialists this work offers a fuller understanding of these writings and their significance for biblical interpretation in the church

The Passion of the Servant Don N. Howell Jr., 2009-01-26 The New Testament opens with four Gospel accounts that introduce the reader to Jesus Christ From the very beginning the redemptive drama moves toward the cross The final week of Jesus s life Passion Week takes up nearly 40 percent of the entire narrative The canonical Gospels provide four different perspectives on the life of Jesus He is portrayed in this fourfold account as King and covenant keeper Matthew as obedient Son servant Mark as the perfect Man among men Luke and as the eternal Son of God John the only person ever born whose central purpose in living is to die The Gospels are Passion narratives with extended introductions This is the governing principle of the present work as Jesus moves toward the culmination of his saving mission From early adumbrations to deepening shadows to direct predictions and finally to the detailed narratives of Passion Week the Gospels follow the Lord s inexorable journey to the cross This synthetic study which follows the life of Jesus in a chronological sequence while attempting to preserve the unique contribution of each of the four Gospel accounts draws upon the long established tradition of harmonies of the Gospels dating back to Tatian s Diatessaron AD 170 The ordering of the data follows with minor rearrangements The NIV Harmony of the Gospels edited by Robert L Thomas and Stanley N Gundry In *The Passion of the Servant* eighteen chapters with thirteen maps trace the geographical

context of Jesus's ministry Biblical quotations are taken from the English Standard Version ESV except where otherwise noted The chronology adopted in this work one that assumes a spring AD 30 date for the crucifixion is appended along with a brief bibliography of works that have been particularly helpful to the author The front cover is a portrait of the risen Lord instructing the two disciples near Emmaus that the events surrounding his death and resurrection fulfilled the sacred prophecies of the Old Testament Luke 24:25-27 [A Crucified Christ in Holy Week](#) Raymond Edward Brown, 1986 This best selling book is certain to remain in the forefront of Gospel exegesis for years to come In it Father Brown treats the Gospels written thirty to sixty years after the life of Christ as reflecting considerate theological and dramatic development and not simply as literal accounts of a historical event [The Passion Narratives of the Synoptic Gospels](#) Herman Hendrickx, 1984

In this new analysis of the Gospel of John Kari Syreeni argues that the gospel is a heavily reworked edition of an earlier Johannine work and that the original did not include Jesus' passion. Syreeni theorizes that the original gospel ended at Chapter 12 with the notion of Jesus' disappearance from the world and that the passion narrative was incorporated by a later editor freely using the existing gospels of Mark and Matthew. Syreeni suggests that the letters of John, written after the predecessor gospels but before the final edition, reveal a schism in the Johannine community that was caused by the majority faction's acceptance of Jesus' death and resurrection as it was then recorded in the new gospel. By exploring the gospel's different means of legitimizing the passion story such as the creation of the Beloved Disciple to witness Jesus' passion and the foreshadowing of the resurrection of Jesus in the miracle of Lazarus, Syreeni provides a bold and provocative case for a new understanding of John.

Why Bíos? On the Relationship Between Gospel Genre and Implied Audience Justin Marc Smith, 2015-02-26

Justin Marc Smith argues that the gospels were intended to be addressed to a wide and varied audience. He does this by considering them to be works of ancient biography comparative to the Greco-Roman biography. The earliest Christian interpreters of the Gospels did not understand their works to be sectarian documents. Rather, the wider context of Jesus literature in the second and third centuries points toward the broader Christian practice of writing and disseminating literary presentations of Jesus and Jesus traditions as widely as possible. Smith addresses the difficulty in reconstructing the various gospel communities that might lie behind the gospel texts and suggests that the all nations motif present in all four of the canonical gospels suggests an ideal secondary audience beyond those who could be identified as Christian.
