Passionate Persistence:

Passionate Persistence Ronald A. Giles, 2004-08 An explanation is provided in very understandable language for the in depth physiological and psychological mechanisms by means of which consciousness occurs incorporating but going far beyond theories which have been published to date This writing uncovers the direct relationship of consciousness to a number of important psychological functions and presents an integrated coherent explanation of their mechanisms The functions include attention association meaning abstraction context curiosity and others The pivotal roles of emotion and memory are elucidated Further it provides convincing resolutions of the ancient mind body problem the enigma of volition and the question of whether or not there is free will It offers central insights into the origin of dreams and hallucinations and opens the door to the development of more advanced artificial intelligence and humanoids

The Power of Passion Brian M. Gazzard, 2015-04-28 You cannot be a Christian if you are cool The world supposedly admires coolness and has made cool into a term of admiration Not so with Jesus Christ He is saying that unless your commitment is hot unless it is passionate it has no relationship to Him Elton Truebloods statement is compelling for Christians Only a passionate faith can confront the disturbing personal and social issues of our time Lukewarm lip service to the great promises of Scripture simply has no sustaining power and churches which adhere to a lukewarm faith will continue to decline Theologian Emil Brunner states The church exists by mission as a fire exists by burning How else can it grow The only way you know whether anything is on fire is whether it will start another fire The metaphor of fire is used to describe our relationship with Christ In the so called Gospel of Thomas found in the dry sands of Egypt Jesus says I came to cast fire upon the earth He who comes close to me comes close to the fire In this book Dr Gazzard seeks to inspire and empower individuals to grow into a passionate faith by sowing seeds of inspiration drawn from his

The Hijacked Mind; There is a major war for the human soul Matthew Simmons, 2022-11-14 THE WORLD IS HIJACKED AND MANY IN THE BODY OF CHRIST ARE HIJACKED We are in a very real war a war between Jesus Christ and the anti Christ a war between the flesh and the Spirit Look at this supernatural war People have been scarred by Satan serial deception and the surgeons of sin People are mingled in lifestyles of pantheism paganism an exploding satanism black cat smooching crystal rubbing and chicken bone massaging witchcraft transgenderism serial fornication homosexuality and public schools teach the gender confusion curriculum People are involved in corruption in the government that defies description state supported and recreational murder abortion back handed and pistol whipped addictions and perpetual pathological hatred and racism Law philosophy poetry positive thinking and psychology cannot change you Shelley Keats Bryon and Shakespeare cannot change you You cannot legislate morality immorality and virtue Law will not stop murder adultery stealing rape child sex trafficking and government corruption the least government is the best government but Christ can do that Jesus is the answer The only solution is a blood transfusion from the veins of the Lamb of God This book retards the deliverance ministry which is the sneeze cough and vomit movement People are conjuring

up coughing up and vomiting up Charismatic spirits and looking like utter fools satanically manifesting like godless pagans sacrificing themselves to totem poles a vomiting and manifesting machine the Manifesting Ministry Movement The Hijacked Mind retards the hyper grace movement If you teach a grace that forgives sin but does not produce repentance you are preaching from satanic literature Grace without repentance is paganism The love of God without the wrath of God is Satan s theology Love without law produces a secular humanist and law without love produces a Pharisee The Hijacked Mind retards atheism Atheists are mastered by primates and neo pagans and environmentalists are anointed by birds bugs and bureaucrats The Hijacked Mind shares the truth of Christ and the absolute existence of Christ This book shares the biblical truths about heaven and hell and if you do not believe in heaven or hell that is because you worship your own back porch philosophy and think your intellect supersedes the knowledge of God and the truth this is ignorance on a rampage
