Playworkers Handbook Playwork Doing It:

A Playworker's Guide to Understanding Children's Behaviour Andrea Clifford-Poston, 2018-10-08 How do I manage an aggressive child positively when I have twenty other children who need my attention How can I develop a good relationship with a child I seem to dislike How do I maintain a positive working relationship with the parents of a disturbed and disturbing child Written in a jargon free readable style with many real life examples this book is a must have resource for playworkers seeking to enhance their skills as a whole It highlights how the way we think about children s behaviour colours the way we react to it It offers playworkers a different way of understanding many ordinary childhood behaviours such as lying stealing and bullying and gives practical advice not only on management but on how practitioners can identify trust and develop their own skills

The Playworker's Handbook Teena Kamen, 2005 The Playworker s Handbook is a source of inspiration and knowledge for all playworkers both those working towards an NVQ qualification at Levels 2 and 3 and those already practising This first full colour playwork handbook helps playworkers to understand what they are doing and why their work is so important Clearly explaining the qualifications and presenting the underpinning knowledge in a stimulating and enjoyable way this text balances theory and practical knowledge This is a totally new approach to understanding playwork and the text includes practical exercises and links to further reading and learning The Playworker s Handbook is the complete guide to gaining your qualification and excelling in the world of playwork

Playwork - Theory and Practice Fraser Brown, 2003 In this title experienced practitioners offer sound practical advice about ways of improving playwork practice The in depth exploration of a range of theoretical perspectives should appeal to both playwork students and practising playworkers

Playwork Paul Bonel, Jennie Lindon, 2000 Approved by SPRITO this text is fully revised throughout to reflect the latest thinking and practice and is based upon the National Occupational Standards
