Driving With Care: Education and Treatment of the Impaired Driving Offender-Strategies for Responsible Living Kenneth W. Wanberg, Harvey B. Milkman, David S. Timken, 2005 This is a three level education and treatment program for persons convicted of driving while impaired DWI Clients learn that change in behavior is made by changing their thoughts attitudes and beliefs The books presents a comprehensive overview of cognitive behavioral treatment for impaired driving offenders a thorough review theory and practice related to client evaluation legal and cultural considerations as well as operational procedures for assessing and matching DWI offenders to appropriate levels of education and treatment services Guidelines are provided for developing individualized treatment plans and implementing appropriate education and treatment curriculum protocol whereby clients relate and apply the lesson and session material to their own unique circumstances and situations Review Copy : Repeat Offender Task Force Experimental Program for Repeat Offenders Maryland Repeat Offender Task Force, 1982 **Repeat Offenders in Illinois**, 1985 **Policing Suspicion** Eleanor Bland, 2021-11-04 Policing Suspicion is an innovative examination of policing practices and the impact of these on patterns of arrest and prosecution in London 1780 1850 The work establishes and defines the idea of proactive policing in historical context where police officers exercised discretion to arrest defendants on suspicion that they had recently committed or were about to commit an offence Through detailed examination of primary sources including the Old Bailey Proceedings newspaper reports instructions for police officers archival records of policing practices and Select Committee reports the book examines the reasons given for arrests and the characteristics of those arrested Suggesting that individual police officers made active choices using their discretion the book highlights how policing practices affected the received record of criminal activity It also explores continuities and changes in policing practices before and after the establishment of the Metropolitan Police force in 1829 examining the expectations placed on the various officials responsible for law enforcement The book contends that policing practices and proactive officers themselves contributed to the prevalence of criminal stereotypes Beyond the historical the book is situated within criminological frameworks around policing and preventive justice noting parallels between historical policing based on suspicion and contemporary police powers such as stop and search Speaking to issues of wider significance for criminologists by examining interactions between the police and suspects and reflecting on police decision making processes the book offers an original approach to those researching both the history of crime and policing and criminology and criminal justice more broadly **Assessment and Treatment of the DWI Offender** Charles Wuth, Alan A Cavaiola, 2016-01-28 Work more effectively with DWI offenders This valuable book provides current information on the psychological social demographic and psychiatric characteristics of DWI offenders It also will provide you with up to date assessment strategies that can be employed with offenders who characteristically are resistant to such assessment Until now books written on this subject have focused purely on research that has been done with offenders

This book however provides both theoretical and applied strategies for working with this very difficult population in clinical treatment settings Assessment and Treatment of the DWI Offender provides practical treatment approaches such that will help you manage client resistance and incorporate family members and significant others into the treatment process to more effectively treat offenders Assessment and Treatment of the DWI Offender examines the important variables that separate DWI offenders from alcoholics in general as well as the normal population patterns of drinking behavior among offenders the magnitude of the DWI problem in the United States the history of the DWI countermeasures movement prevention and public education organizations such as SADD MADD the Partners in Progress program the College Binge Drinking Initiative and more enforcement techniques like breath testing standardized field sobriety tests on site drug detection devices etc problems with the tools and techniques that are currently being used to address this issue interviewing techniques that work with DWI offenders more Intended primarily for counselors social workers psychologists and other professionals who work with DWI offenders and packed with helpful and easy to read statistical charts and tables this book is also essential for graduate students in psychology social work chemical dependency or any of the helping professions

Prosecuting and Punishing Multi-Offenders in the EU Nele Audenaert, Wendy De Bondt ,2021-07-01 This book elaborates on the rules governing the prosecution and sentencing of multi offenders The term multi offender is used for an offender that has committed a series of offences either in one single act or in different acts hence the addition of multi in multi offender A crucial element thereto is that the whole series of offences which make the offender a multi offender has been committed before being subject to a final conviction A comparative EU study was conducted focussing on the rules governing multi offenders within different EU Member States It reveals that this type of offenders challenge both the legislator and the prosecution and judges when the offences are prosecuted in one go the challenges are linked to finding an appropriate way to assess the severity of the criminal behaviour if however the offences are prosecuted in several simultaneous or consecutive proceedings the challenges are linked to taking account of the simultaneous or past proceeding These challenges only grow if proceedings take place in different EU Member States The analysis presented in this book is essential reading for EU policy makers national policy makers academics and defence lawyers throughout the EU working with multi offenders Undoubtedly it will be an asset to their work in both mere national as well as in cross border cases

DWI Repeat Offenders Douglas J. Beirness, Daniel Richard Mayhew, H. M. Simpson, Canada. Office of Alcohol, Drugs and Dependency Issues, 1997 This report provides a comprehensive review of the literature on a high risk group of drinking drivers driving while impaired DWI repeat offenders It first defines the DWI problem and assess its magnitude in Canada then reviews the characteristics of DWI repeat offenders including their drinking patterns and problems demographic characteristics and driving related problems The remainder of the report examines what can be done about DWI repeat offenders Chapter 4 describes a model of impaired driving that identifies the stages of the behaviour and the opportunities for intervention It then outlines the different perspectives and

their approaches for dealing with the problem The next three chapters review how some of those approaches might be used with the DWI repeat offender at the following stages of intervention prevention identification and apprehension and sanctions driver or vehicle based assessment and rehabilitation The final chapter discusses program and policy options for dealing with DWI repeat offenders efficiently and effectively and how such measures could be integrated to form a comprehensive countermeasure strategy The appendix provides an overview of the legislation governing impaired driving offences in Canada

Law and Order in Australia Donald James Weatherburn,2004 How much crime is committed in Australia What sort of crime where and by whom What can we do to stop it This book deals in facts and dispels myths Don Weatherburn Director of the NSW Bureau of Crime Statistics and Research shows how policies are driven by the political need to manage public reactions not to control and prevent crime Law and Order in Australia informs public debate about crime in Australia by contrasting popular assumptions about crime and crime control with what is actually known to be true The opening chapter sets the scene by asking how serious Australia s crime problems are Weatherburn then offers a critique of the way Australian governments attempt to deal with Australia s crime problems This is followed by the foundations for a discussion of what actually works in crime prevention and control by highlighting some basic facts about crime and offenders The final chapters discuss what the evidence reveals about crime prevention and control and the key issues in crime prevention and control in Australia Weatherburn clearly provides numerous ideas for better policies ones that will actually work
