**Moby Dick (Diversio Classics)** Herman Melville,2015-06-30 Featuring an appendix of discussion questions the Diversio Classics edition is ideal for use in book groups and classrooms In the canonical epic one of the greatest most lasting novels in American history Captain Ahab descends into madness as he sails in search of Moby Dick the elusive white whale that destroyed his ship crippled him and sent him on an unstoppable quest for revenge Blending elements from adventure stories Elizabethan drama and epic poetry Melville crafts a tale of fate and vengeance years ahead of its time A critical failure at its first publication MOBY DICK now takes its rightful place among American classics [Moby Dick the Complete & Unabridged Original Classic](#) Herman Melville,2015-04-12 This premium quality edition contains the complete and unabridged original classic version of Moby Dick printed on heavyweight bright white paper in a large 7 44x9 69 format with a laminated cover featuring an original design Also included is a detailed introductory essay discussing the life and work of Herman Melville and the history and significance of Moby Dick providing the modern reader with useful background information to enhance the enjoyment of this classic Herman Melville is known today primarily for his iconic whaling novel Moby Dick 1851 the story of the struggle between Captain Ahab and the great white whale which appears on many lists of greatest books ever written and is considered an essential part of the Western Canon Ironically when the novel was published it was a monumental flop and signaled the end of Melville s career as a novelist One theory is that the omission of the epilogue from the first printing left the book open to ridicule as a first person narrative in which the narrator did not survive to tell the tale He published several more novels all without success and in 1866 became a New York customs inspector all but forgotten for the next fifty years It was not until the rise of the modernist movement that Moby Dick was recognized as a great literary work What once were regarded as serious flaws came to be viewed as literary innovations and the novel went from being criticized as undisciplined and poorly crafted to being hailed as ahead of its time and visionary For the modern reader the complex analytical theories behind Moby Dick may get in the way of enjoying the novel for its own sake Taking Moby Dick at face value it is an interesting tale rich with diverse characters and evocative themes like friendship

class and social status good and evil isolation and community the existence of God obsession and human perception A vivid depiction of life aboard ship in the nineteenth century it is perhaps the most detailed and accessible existing picture of what was for a time the richest industry in the United States If at times the text seems stilted or antiquated as might be expected from any work from this era it is equally true that at times the text attains a soaring almost lyric tone The most casual reader cannot fail to appreciate the unforgettable characters compelling storyline and vivid depictions of whales whalers and whaling and the obsession driven quest after the great white whale upon which Ahab leads and the crew follows to their doom And this without anything more makes Moby Dick essential reading Herman Melville 1819 1891 was an author of the American Renaissance or Romantic period Born in New York City he was the third child of a successful merchant He worked as a schoolteacher before going to sea for the first time in 1839 Serving on a whaler in 1842 he jumped ship and spent a month living among South Pacific islanders His first novel Typee 1846 a bestseller was based in part on his experiences in the South Pacific as was the successful sequel Omoo 1847 The same year Melville now a successful novelist married Elizabeth Knapp Shaw They would have four children between 1849 and 1855 Mardi and Redburn both published in 1849 met with limited success Mardi in particular was criticized as so thematically dense as to be incomprehensible White Jacket 1850 based on Melville s brief service in the U S Navy was his most influential work during his lifetime with graphic descriptions of flogging that led directly to banning the practice on naval vessels Moby Dick and several additional failed novels and poetry collections followed Melville sank into obscurity and died in 1891 about 20 years before Moby Dick was recognized as a literary classic

**Moby Dick (Illustrated)** Herman Melville,2018-07-16 Rare edition with unique illustrations On a previous voyage a mysterious white whale had ripped off the leg of a sea captain named Ahab Now the crew of the Pequod on a pursuit that features constant adventure and horrendous mishaps must follow the mad Ahab into the abyss to satisfy his unslakeable thirst for vengeance Narrated by the cunningly observant crew member Ishmael Moby Dick is

the tale of the hunt for the elusive omnipotent and ultimately mystifying white whale Moby Dick On its surface Moby Dick is a vivid documentary of life aboard a nineteenth century whaler a virtual encyclopedia of whales and whaling replete with facts legends and trivia that Melville had gleaned from personal experience and scores of sources But as the quest for the whale becomes increasingly perilous the tale works on allegorical levels likening the whale to human greed moral consequence good evil and life itself Who is good The great white whale who like Nature asks nothing but to be left in peace Or the bold Ahab who like scientists explorers and philosophers fearlessly probes the mysteries of the universe Who is evil The ferocious man killing sea monster Or the revenge obsessed madman who ignores his own better nature in his quest to kill the beast Scorned by critics upon its publication Moby Dick was publicly derided during its author s lifetime Yet Melville s masterpiece has outlived its initial misunderstanding to become an American classic of unquestionably epic proportions

**Moby-Dick**  
Herman Melville, 2017-04-29 Moby Dick is a novel by American writer Herman published in 1851 during the period of the American Renaissance Sailor Ishmael tells the story of the obsessive quest of Ahab captain of the whaler the Pequod for revenge on Moby Dick the white whale that on the previous whaling voyage bit off Ahab s leg at the knee The novel was a commercial failure and out of print at the time of the author s death in 1891 but during the 20th century its reputation as a Great American Novel was established Summary Ishmael travels in December from Manhattan Island to New Bedford with plans to sign up for a whaling voyage The inn where he arrives is so crowded he must share a bed with the tattooed Polynesian Queequeg a harpooneer whose father was king of the fictional island of Rokovoko The next morning Ishmael and Queequeg attend Father Mapple s sermon on Jonah then head for Nantucket Ishmael signs up with the Quaker ship owners Bildad and Peleg for a voyage on their whaler Pequod Peleg describes Captain Ahab He s a grand ungodly god like man who nevertheless has his humanities They hire Queequeg the following morning A man named Elijah prophesies a dire fate should Ishmael and Queequeg join Ahab While provisions are loaded shadowy figures board the ship On a cold Christmas Day the Pequod leaves the harbor Ishmael discusses cetology the zoological classification and natural history of the whale and describes the crew members The chief mate is 30 year old Starbuck a Nantucket Quaker with a realist mentality whose harpooneer is Queequeg second mate is Stubb from Cape Cod happy go lucky and cheerful whose harpooneer is Tashtego a proud pure blooded Indian from Gay Head and the third mate is Flask from Martha s Vineyard short stout Extrait I stuffed a shirt or two into my old carpet bag tucked it under my arm and started for Cape Horn and the Pacific Quitting the good city of old Manhatto I duly arrived in New Bedford It was a Saturday night in December Much was I disappointed upon learning that the little packet for Nantucket had already sailed and that no way of reaching that place would offer till the following Monday As most young candidates for the pains and penalties of whaling stop at this same New Bedford thence to embark on their voyage it may as well be related that I for one had no idea of so doing For my mind was made up to sail in no other than a Nantucket craft because there was a fine boisterous something about everything connected with that famous old island

which amazingly pleased me Besides though New Bedford has of late been gradually monopolising the business of whaling and though in this matter poor old Nantucket is now much behind her yet Nantucket was her great original the Tyre of this Carthage the place where the first dead American whale was stranded Where else but from Nantucket did those aboriginal whalers the Red Men first sally out in canoes to give chase to the Leviathan And where but from Nantucket too did that first adventurous little sloop put forth partly laden with imported cobblestones so goes the story to throw at the whales in order to discover when they were nigh enough to risk a harpoon from the bowsprit Biography Herman Melville 1819 1891 was an American novelist short story writer and poet of the American Renaissance period His best known works include Typee 1846 a romantic account of his experiences in Polynesian life and his whaling novel Moby Dick 1851 His work was almost forgotten during his last thirty years His writing draws on his experience at sea as a common sailor exploration of literature and philosophy and engagement in the contradictions of American society in a period of rapid change He developed a complex baroque style
