Perfect Pies Michele Stuart, 2011-09-20. The smell of a pie baking in the kitchen immediately conjures up feelings of comfort, nostalgia, and love. Michele Stuart vividly remembers standing at her grandmother's apron hem as a child as she fine-tuned and improved family recipes that had been passed down for generations. Eventually, Stuart's lifelong passion for pie making inspired her to open what would become the world-famous shop Michele's Pies. You don't have to travel to Michele's Pies in Norwalk and Westport, Connecticut, though, to taste Stuart's mouthwatering creations. Perfect Pies shares nearly eighty delicious recipes, many of them National Pie Championships winners. There are desserts bursting with fruit: Country Apple Pie, Blueberry Blackberry Pie, crunchy with nuts, Chocolate Pecan Bourbon Pie, Maple Walnut Pie, cream-filled delights, Coconut Custard Pie, Lemon Chiffon Pie, and pies perfect for a party: Ultimate Banana Split Pie, Candyland Pie. And let's not forget Stuart's sensational savory creations from Lobster Pot Pie to Quiche Lorraine to Italian Wheat Pie. Stuart also passes along easy recipes for Hot Fudge Sauce, Raspberry Jam, and Whipped Cream to top it all off. Stuart's secret, she says, is that her pies are made by hand with love, but she doesn't neglect to advise you on the basic kitchen tools you'll need, as she reveals essential tips and techniques from how to roll out dough to the best way to make light and flaky crust. And of course, she stresses the use of fresh seasonal fruits and other wholesome ingredients. The best pies are the ones that keep it simple, Stuart notes. So whether you're a pie novice, a weekend baker, or a seasoned pastry chef, Perfect Pies will help make everything you bake worthy of a blue ribbon.

*Bits N' Pieces* Colleen Chapman, 2018-10-05. This book briefly covers my early life up to present age eighty-four. I started this project several years ago just for my kids. Then I decided it would be fun to ask my family and friends to contribute. Just one rule: No one could say anything negative about another person. It is mostly fond memories and funny stories or incidents. It is a little bit of family history, such as a story by my oldest sister about leaving Oklahoma during the Depression about picking cotton and working in other crops. I was about eighteen months old when we left and about seven when we reached California. Included also are some true stories about strange things that have happened to myself and some family members.
