Missing Matthew:

Missing Nicole Morris, 2024-09-04 Missing without a trace into thin air In *Missing Nicole Morris* best selling author of *Vanished* and founder of the Australian Missing Persons Register delves into the chilling world of long term missing persons cases With over 55 000 disappearances annually in Australia each story is a heart wrenching account of unanswered questions and shattered lives From a West Australian man entangled in the dangers of online dating to an Adelaide father possibly linked to Australia s most notorious serial killings Morris uncovers haunting tales of those who vanished without a trace Three mothers leaving behind bewildered children a young hitchhiker lost on a desolate Queensland highway and two Sydney men who lost their way all woven into the fabric of inexplicable disappearances The narrative spans decades from the 1980s to present day mysteries including the puzzling case of a gentle Greenpeace worker vanishing amidst inner city Melbourne the suspicious disappearance of a 21 year old and the grim discovery of scattered remains in Queensland unravelling a harrowing tale of violence and tragedy And then there is the perplexing case of a man who went missing over and over again *Missing* sheds light on the untold stories of those who vanished leaving behind a void of unanswered questions and enduring pain Nicole Morris brings attention to the cold cases from families of missing persons raising awareness and hopefully uncovering new leads for desperate families searching for the truth

A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 *A Theology of Matthew s Gospel* develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity s redemption Matthew s Gospel establishes Jesus s identity as the heir to the promises of Israel s throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus s message of the gospel to Jews contending that they should turn to Jesus as their long awaited Messiah Matt 11 2 6 But strikingly Matthew s Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew s gospel history theology and literature The first horizon focuses on Jesus s history ministry Here Matthew provides for us a record of God s activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew s theological perspective for his audience s Here we attempt to understand and isolate Matthew s unique theological perspective of God s activities in Jesus Messiah This is a central focus emphasizing Matthew s theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today s reader s engaging with Matthew s Gospel as literature Here we attempt to capture the significance of the perspective of today s reader s understanding of Jesus Messiah s activities in history and Matthew s theological perspective for the contemporary church In this book we view Matthew s perspective of God s activities in Jesus s unfolding earthly ministry The

alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.

An Empty Coast Tony Park, 2015-08-01. A body from an old war and a missing girl bring retired mercenary Sonja Kurtz home to Africa's deadly Skeleton Coast. Sonja Kurtz, former soldier, supposedly retired mercenary, is in Vietnam carrying out a personal revenge mission when her daughter sends a call for help. Emma, a student archaeologist on a dig at the edge of Namibia's Etosha National Park, has discovered a body dating back to the country's liberation war of the 1980s. The remains of the airman, identified as Hudson Brand, are a key piece of a puzzle that will reveal the location of a modern-day buried treasure. A find people will kill for. Sonja returns to the country of her birth to find Emma, who since her call has gone missing. Former CIA agent Hudson Brand is very much alive and is also drawn back to Namibia to finally solve a decades-old mystery whose clues are entombed in an empty corner of the desert.

A Killing for Christmas C. K. Harewood, 2025-12-08. December 1930. Craynebrook has endured a year of violence and scandal. The town and the police need a peaceful Christmas. But the discovery of two bodies in a respectable middle-class home shatters any hope of respite. Detective Inspector Matthew Stannard takes the case though he's barely functional. A vicious attack months earlier left him scarred in more ways than one, and now he's isolated, exhausted, and for the first time in his career wondering whether he can see a murder investigation through. Then an Essex detective arrives insisting Matthew help him hunt a child abductor who's been evading capture for years. But Matthew's in no mood for cooperation, and when this outsider starts meddling in his murder investigation, a confrontation becomes inevitable.

Christianity and Monasticism in Upper Egypt: Volume 1 Gawdat Gabra, Hany N. Takla, 2025-08-19. Studies in Christianity in the Sohag region of Upper Egypt by some of the world's leading Coptic Studies scholars. Christianity and monasticism have flourished along the Nile Valley in the Sohag region of Upper Egypt from as early as the fourth century until the present day. The contributors to this volume, international specialists in Coptology from around the world, examine various aspects of Coptic civilization in the Upper Egyptian governorate of Sohag over the past seventeen hundred years. Many of the studies center on the person and legacy of the great Coptic saint Shenoute the Archimandrite (348-466 CE), looking at his preserved writings, his life, his place in Pachomian monasticism, his relations with the patriarchs in Alexandria, and the life in his monastic system. Other studies deal with the art, architecture, and archaeology of the two great monasteries that he founded and the archaeological and artistic heritage of the region. Contributors: Heike Behlmer.

The Missing Links James E. Rauch, 2007-08-16 Half of all workers are hired through personal referrals and networks of social connections channel the flows of capital technology and international trade Sociologists and economists alike recognize that economic exchange is shaped by social networks which propagate information and facilitate trust but each discipline brings a distinct theoretical perspective to the study of networks Sociologists have focused on how networks shape individual behavior economists on how individual choices shape networks The Missing Links is a bold effort by an interdisciplinary group of scholars to synthesize sociological and economic theories of how economic networks emerge and evolve Interweaving sophisticated theoretical models and concrete case studies The Missing Links is both an introduction to the study of economic networks and a catalyst for further research Economists Rachel Kranton and Deborah Minehart illustrate their field's approach to modeling network formation showing how manufacturers form networks of suppliers in ways that maximize profits Exemplifying the sociological approach Ronald Burt analyzes patterns of cooperation and peer evaluations among colleagues at a financial organization He finds that dense connections of shared acquaintances lead to more stable reputations In the latter half of the book contributors combine the insights of sociology and economics to explore a series of case studies Ray Reagans Ezra Zuckerman and Bill McEvily investigate an R&D firm in which employees participate in overlapping collaborative teams allowing the authors to disentangle the effects of network structure and individual human capital on team performance Kaivan Munshi and Mark Rosenzweig examine how economic development and rising inequality in India are reshaping caste based networks of mutual insurance and job referrals Their study shows that people's economic decisions today are shaped both by the legacy of the caste hierarchies and by the particular incentives and constraints that each individual faces in an evolving labor market Economic
