Mission and Moral Reflection in Paul Michael D. Barram, 2006 The Apostle Paul sought to exert his influence and authority over the congregations he founded long after they had been established Such ongoing oversight by Christianity s prototypical

evangelist has not been adequately understood In a brief 1987 article W Paul Bowers challenged John Knox's assertion that Paul's pastoral and administrative work irked him and that he wanted to be free of it This book confirms and significantly develops Bowers's little known thesis examining a wide range of passages in the apostle's undisputed letters and highlighting crucial implications of Paul's broadly conceived vocation for understanding his mission and moral reflection Mission Focus Wilbert R. Shenk, 1980-01-01 By Faith They Went Out Wilbert R. Shenk, 2000 In this collection of essays Wilbert Shenk surveys and synthesizes aspects of the Mennonite experience in mission He traces the mission impulse of early Anabaptism and documents the impact of subsequent historical developments from persecution and withdrawal through Pietist and evangelical revival to the globalization of the church in the twentieth century Shenk identifies North American Mennonite Brethren in Christ ambivalence toward mission and reminds readers that mission has the potential to provide focus and relevance to a church struggling for identity and meaning In the book's final essay Shenk lays a foundation for a Mennonite theology of mission that is both biblical and consonant with Anabaptist tradition Restoring the Federal Land Management Workforce United States.
