Shadow Moon Signed:

Voyage of the Shadowmoon Sean McMullen,2010-09-01 The renowned author of the Greatwinter novels delivers a brilliantly inventive marvelously plotted sea faring fantasy that surpasses genre expectations Kirkus starred review The Shadowmoon is a small wooden schooner whose passengers and crew are much more than they seem Ferran the Shadowmoon s lusty captain who dreams of power Roval the warrior sorcerer Velandar and Terikel priestesses of a nearly extinct sect and the chivalrous vampyre Laron who has been trapped in a fourteen year old body for 700 years They sail the coast gathering useful information passing as simple traders But when they witness the awful power of Silverdeath an uncontrollable doomsday weapon of awesome power they realize they must act But every single king emperor and despot covets Silverdeath s power It will take all of their wits and more than a little luck if they hope to prevent one of these power hungry fools from destroying the world Their only advantage The Shadowmoon While it seems to be a humble trading vessel it is actually one of the most sophisticated ships in the world one that allows them to travel to places where no others would dare The crew must now hope it will be enough to save them all before Silverdeath rains destruction across their entire world
