Pride and Prejudice Jane Austen, 1918 **Pride and Prejudice** Jane Austen, 2018-03 A lady's imagination is very rapid it jumps from admiration to love from love to matrimony in a moment There are few people whom I really love and still fewer of whom I think well The more I see of the world the more am I dissatisfied with it and every day confirms my belief of the inconsistency of all human characters and of the little dependence that can be placed on the appearance of merit or sense Vanity and pride are different things though the words are often used synonymously A person may be proud without being vain Pride relates more to our opinion of ourselves vanity to what we would have others think of us There is a stubbornness about me that never can bear to be frightened at the will of others My courage always rises at every attempt to intimidate me I am the happiest creature in the world Perhaps other people have said so before but not one with such justice I am happier even than Jane she only smiles I laugh I have not the pleasure of understanding you Mr Bennet was among the earliest of those who waited on Mr Bingley He had always intended to visit him though to the last always assuring his wife that he should not go and till the evening after the visit was paid she had no knowledge of it It was then disclosed in the following manner Observing his second daughter employed in trimming a hat he suddenly addressed her with I hope Mr Bingley will like it Lizzy We are not in a way to know what Mr Bingley likes said her mother resentfully since we are not to visit But you forget mamma said Elizabeth that we shall meet him at the assemblies and that Mrs Long promised to introduce him I do not believe Mrs Long will do any such thing She has two nieces of her own She is a selfish hypocritical woman and I have no opinion of her No more have I said Mr Bennet and I am glad to find that you do not depend on her serving you Mrs Bennet deigned not to make any reply but unable to contain herself began scolding one of her daughters Don't keep coughing so Kitty for Heaven's sake Have a little compassion on my nerves You tear them to pieces Kitty has no discretion in her coughs said her father she times them ill I do not cough for my own amusement replied Kitty fretfully When is your next ball to be Lizzy To-morrow fortnight Aye so it is cried her mother and Mrs Long does not come back till the day before so it will be impossible for her to introduce him for she will not know him herself Then my dear you may have the advantage of your friend and introduce Mr Bingley to her Impossible Mr Bennet impossible when I am not acquainted with him myself how can you be so teasing I honour your circumspection A fortnight's acquaintance is certainly very little One cannot know what a man really is by the end of a fortnight But if we do not venture somebody else will and after all Mrs Long and her nieces must stand their chance and therefore as she will think it an act of kindness if you decline the office I will take it on myself The girls stared at their father Mrs Bennet said only Nonsense nonsense What can be the meaning of that emphatic exclamation cried he Do you consider the forms of introduction and the stress that is laid on them as nonsense I cannot quite agree with you there What say you Mary For you are a young lady of deep reflection I know and read great books and make extracts Mary wished to say something sensible but knew not how While Mary is adjusting her ideas he continued let us return to Mr

Pride and Prejudice is an 1813 romantic novel of manners written by Jane Austen. The novel follows the character development of Elizabeth Bennet, the dynamic protagonist of the book who learns about the repercussions of hasty judgments and eventually comes to appreciate the difference between superficial goodness and actual goodness. A classic piece filled with comedy, its humour lies in its honest depiction of manners, education, marriage, and money during the Regency era in Great Britain. Mr. Bennet of Longbourn estate has five daughters, but because his property is entailed, it can only be passed from male heir to male heir. Consequently, Mr. Bennet's family will be destitute upon his death. Because his wife also lacks an inheritance, it is imperative that at least one of the girls marry well to support the others upon his death, which is a motivation that drives the plot. Jane Austen's opening line, "It is a truth universally acknowledged that a single man in possession of a good fortune must be in want of a wife," is a sentence filled with irony and sets the tone for the book. The novel revolves around the importance of marrying for love, not simply for economic gain or social prestige, despite the communal pressure to make a good, i.e., wealthy match. *Pride and Prejudice* has delighted readers for years, consistently appearing near the top of lists of most loved books among literary scholars and the reading public. PRIDE and PREJUDICE (Illustrated) Jane Austen, 2019-02-25

Austen's timeless romantic classic follows the lives of the five Bennett sisters who live in a time where an advantageous marriage and social status are considered a fundamental for any woman to stand a fair chance at life. Set at the turn of the 19th century, *Pride and Prejudice* catches a perfect glimpse, not only of a time when women were socially and economically dependent solely on their marital status, but also as an age of enlightenment and witness of the French Revolution. This romantic novel, with its hint of comic references, begins with the famous quote, "It is a truth universally acknowledged that a single man in possession of a good fortune must be in want of a wife." This famous quotation sets the
