**John Sayer**

## **Primary Schools And Special Needs:**

*Special Needs in the Primary School* Paul Croll, Diana Moses, 1999-12-01 Schools are under more pressure than ever before to provide a good education for pupils with special needs Revisiting the fifty schools that they researched for their 1985 ground breaking study One in Five Paul Croll and Diana Moses provide an authoritative guide to the central issues of children with special needs The authors also consider the provision for various special needs including emotional and behavioral difficulties ADD Aspergers Syndrome autism and dyslexia Based on research in special needs carried out in primary schools this text presents qualitative quantitative data and deals with issues such as effects of curriculum how judgements are made the impact of policies role of local government and emotional and behavioural difficulties **The Praeger International Handbook of Special Education** Michael L. Wehmeyer, James R. Patton, 2017-06-15 This handbook provides a concise overview of special education services in countries across the world using the Article on Education in the United Nations Convention on the Rights of Persons with Disabilities as the analytical frame The Praeger International Handbook of Special Education presents a concise and clear overview of special education services in more than 70 countries across the world using the Article on Education in the United Nations Convention on the Rights of Persons with disabilities as the analytical frame Each chapter offers information about the country in general followed by sections on the public education system the private education system the special education system teacher training requirements and barriers to and promising trends in inclusive and special education The volumes and chapters are organized by the United Nations Geoscheme with Volume 1 including an overview of the volumes and chapters on countries in the Americas Volume 2 addressing countries from Europe and Africa and Volume 3 focusing on countries in Asia and Oceania This is the most complete exploration of the delivery of supports and services to children and youth with disabilities across the globe available The volumes do not compare among or between countries but rather provide a baseline for understanding current special education practices and their relationship with general education and inclusive practices across the globe Readers will come away with an in depth understanding of what is happening with regard to the implementation of special education services and Article 24 of the Convention for the Rights of People with Disabilities This valuable reference set serves researchers graduate students and policymakers in special and general education as well as professionals focused on issues of education worldwide and scholars focused on international special education As such this handbook will be an important reference source for university libraries professional associations and policy entities *Interim Report of the Commissioners on Certain Parts of Primary Education* New South Wales.
